Solicitation Type and Name:

Formal Invitation for Babcock Road (West Hausman to UTSA Blvd) (2022 Bond)

Solicitation Number: 23-03865

Description: The Babcock Road project will reconstruct and widen the roadway from its existing configuration of 1 lane in each direction with an intermittent turn lane, into two lanes in each direction with a two-way center turn lane. Sidewalk along the west side will be improved. A SUP exists along the park on the east side, so a crossing will be installed to provide better access to the park and lighting will be installed along that existing SUP. Additionally, some above ground drainage work will be done to improve water flow across the roadway into the adjacent creek.
