Solicitation Type and Name: Request for Information – Aerial Imagery Services Solution

Solicitation Number: RFI 6100017116 (23-113)

Description: The purpose of this Request for Information (RFI) is to assist the City of San Antonio (City) in understanding the market availability of Aerial Imagery Service Provider solutions.

The City of San Antonio Information Technology Services Department (ITSD) is seeking a solution to replace and augment the currently contracted Aerial Imagery Services. The City is seeking options for additional imagery data products.

The City welcomes information from all interested Respondents on all the questions contained within this RFI. The City does not intend to award a contract based on responses nor otherwise pay for the preparation of any information submitted or the City of San Antonio's use of such information. Acknowledgement of receipt of responses will not be made, nor will respondents be notified of the review of the information received. The information collected in this RFI will be used to refine the City's specific requirements and create the appropriate acquisition strategy.

Respondents should note that this RFI is for information and planning purposes only and should not be construed as a solicitation or as an obligation on the part of the City.
