

## ADDENDUM II

**SUBJECT:** REQUEST FOR INFORMATION – Aerial Imagery Services Solution  
(RFI 23-113; 6100017116) Scheduled to Open: July 14, 2023; Date of Issue: June 22, 2023

**FROM:** Denise Gómez-Esquivel, C.P.M., CPPB, Procurement Administrator

**DATE:** July 13, 2023

### **THIS NOTICE SHALL SERVE AS ADDENDUM NO. II - TO THE ABOVE REFERENCED REQUEST FOR INFORMATION**

#### **THE ABOVE-MENTIONED REQUEST FOR INFORMATION IS HEREBY AMENDED AS FOLLOWS:**

1. **ADD:** Exhibits 1 through 9 have been added. Exhibits 1 through 8 are the components of a shapefile provided by the City to illustrate desired coverage. Exhibit 9 has a statement regarding coverage areas of interest to the City. All Exhibits are posted as separate files.
2. The RFI submission deadline has been extended to **July 20, 2023 at 2:00 p.m. Central Time.**

#### **QUESTIONS SUBMITTED IN ACCORDANCE WITH SECTION 008, SUBMISSION OF PROPOSALS, RESTRICTIONS ON COMMUNICATIONS**

**Question 1:** Would the City please provide a GIS layer (shapefile) boundary of the City or area of interest so vendors can respond accordingly based on the project size?

**Response:** Please refer to the Exhibits added to the solicitation.

**Question 2:** Does the City have historical imagery on file that respondents can load into their WMS/WMTS server or are respondents required to provide the historical imagery?

**Response:** Historical imagery would need to be provided by the respondent.

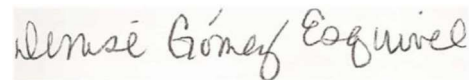

**Question 3:** Does the City have a kmz or shapefile boundary of the imagery area?

**Response:** Please refer to response to Question 1.

**Question 4:** Would the boundary for the imagery needed be just the City limits or would that expand beyond those limits somewhat into surrounding Bexar county? For the costing estimate portion of the RFI it would be helpful to get a KMZ or Shapefile of the exact area needed.

**Response:** Please refer to response to Question 1.

- Question 5:** Is the City seeking imagery services only? i.e., Image acquisition and digital ortho services
- Response:** All of the services sought by the City are outlined under the "Aerial Imagery Service" section of the RFI.
- Question 6:** Is the City seeking mapping products, vector files, ground surveying, break lines, etc.?
- Response:** No, but the City is open to AI options/add-ons.
- Question 7:** On delivery, 30-day delivery is stated. Does this mean that the City could require the entire city to be flown and the expected delivery is 30 days?
- Response:** Yes.
- Question 8:** Does the City already have access to historical imagery of San Antonio going back 5 years?
- Response:** Please refer to response to Question 2.
- Question 9:** Does TNRIS have this 5-year historical imagery available?
- Response:** Yes, but in 6-inch resolution.
- Question 10:** What did the request mean when "entire viewing area? Is this an area upon specific request such as a construction site or city project?
- Response:** Please refer to response to Question 1.
