- Attachment D – Working with COSA
- Attachment E – Pre-Submittal Presentation Slides
- Attachment F – Bid Checklist
- Exhibit 1 - Diagrams

5. Section 009 – Attachments, Price Schedule is replaced and Amended as ATTACHMENT A – PRICE SCHEDULE – REVISION 1, DATED JUNE 18, 2026

QUESTIONS SUBMITTED IN ACCORDANCE WITH SECTION 003, PRE-SUBMITTAL CONFERENCE:

On Wednesday, June 3, 2026, the City of San Antonio hosted a Pre-Submittal Conference to provide information and clarification for the Request for Offer / Annual Contract for Public Safety Response Vehicles. Below is a list of questions that were asked at the pre-submittal conference. The City's official response to questions asked is as follows:

Question 1: Under Bid Item 4, Section 4.6.16 Bed Configuration it is missing the type of Unit you are requesting. Should this be Unit A or Unit B?

Response: This should be Unit B, please refer to updated Section 4.6.16 Bed Configuration.

QUESTIONS SUBMITTED IN ACCORDANCE WITH SECTION 003, RESTRICTIONS OF COMMUNICATION:

Question 2: Under Section 4.10 Bid Item 8 the description is requesting a RAM 4500 Diesel Truck. The RAM 4500 is only sold as a Cab and Chassis with no bed so this conflicts with the request under 4.10.6 Dimensions; requesting the bed of the truck. If the Bed for the truck is being requested the closes model with that available is the RAM 3500. Will the City be changing this to a RAM 3500 for all specifications to be meet?

Response: Bid Item 8 will be changed from a RAM 4500 to now request a RAM 3500 so that it will meet all the specification requirements. Please refer to updated sections 4.1, 4.10 and Attachment A – Price Schedule.

Question 3: Under Section 4.6.14, 4.7.14, 4.9.14, and 4.10.14 regarding the bid specifications for the Exhaust: the vehicle should be equipped with a stainless-steel rear pipe and a San Antonio Fire Department-style Plymovent adapter. Do you have a preferred vendor that supplies these parts directly? Any additional information, pictures, or guidance you can provide would be greatly appreciated.

Response: There is not a preferred vendor for this device. The device is a Plymovent Brand magnetic conecal for the appropriate size exhaust. Please refer to updated sections 4.6.14, 4.7.14, 4.9.14, and 4.10.14 Exhaust.

Question 4: Under Section 4.3.12 Winch; Can the department provide the current winch make and model number? Is the winch required to be bumper-mounted, or is a receiver-mounted (removable) winch acceptable?

Response: The information has been updated to now show the make and model. Please refer to updated section 4.3.12 Winch

Question 5: Under Section 4.3.13 Front Bumper; The manufacturer does not offer a grill guard with winch attachment for this model year truck. A full replacement front bumper is available; however, it only supports a front-mounted winch receiver, which requires the winch to be mounted on a 2-inch receiver/pedestal mount. Would this alternative configuration be acceptable?

Response: The information has been updated to now show an acceptable model. Please refer to updated section 4.3.13, 4.4.13, and 4.5.13 Font Bumper.

Question 6: Under Section 4.3.11, 4.4.11 and 4.5.11 Seating; Please note that bucket seating is not available on the Tradesman (standard) trim level. Would 40/20/40 bench seating suffice, or should we quote a higher trim level? Additionally, could you confirm the trim level of your current trucks?

Response: 40/20/20 bench seating is acceptable for this application. Specifications should warrant appropriate trim package. Please refer to updated sections 4.3.11, 4.4.11 and 4.5.11 Seating.

Question 7: Under Section 4.3.22 Vehicle Alarm; What kind of alarm system do they want to move to? Pro-Gard doesn't offer a system for this model.

Response: The information has been updated with another system. Please refer to updated section 4.3.22 Vehicle Alarm.

Question 8: Under Section 4.3.12, 4.4.12, and 4.5.12 Winch; it is requesting a winch that has a remote cooling fan. Do you have part numbers or more information for the requested winch?

Response: The information was updated from question 4 for 4.3.12 Winch and will be used to update the other sections. Please refer to updated sections 4.4.12 and 4.5.12 Winch.

Question 9: Under Section 4.10.15 Camper Shell; it is stating no bed cover provided. What exactly are you requested for this section?

Response: There will be no bed cover, slide-out or shell required/needed for this vehicle.

Question 10: Under Bid Items 1, 2, and 3 they do not have any emergency lighting listed, but have lightbar drawing for item 1 (4.13.1). Should there be lighting?

Response: 4.13.1 is for ITEM 4 (Items 1,2 and 3 do not have emergency lighting needed). Please refer to all updated sections under 4.13.1, 4.13.2, 4.13.3 and 4.13.4.

Question 11: Under Bid Item 6, Section 4.8 has an inner edge XLP (Provided by FD) but they have a lightbar drawing and inner edge drawing (4.13.3 & 4.13.4). What are we doing, lightbar or inner edge? Is the City providing the part?

Response: 4.13.3 is for ITEM 6 as an example of what will be provided. Please refer to all updated sections under 4.13.1, 4.13.2, 4.13.3 and 4.13.4.

Question 12: Under Bid Item 7, Section 4.9 has a 54" lightbar listed but they have not provided a drawing, which lightbar layout applies? Please update with a lightbar drawing.

Response: 4.13.2 is the appropriate design for lightbar of item 7. Please refer to all updated sections under 4.13.1, 4.13.2, 4.13.3 and 4.13.4.

Question 13: Under Bid Item 8, Section 4.10 has a 54" lightbar listed but they have not provided a drawing, which lightbar layout applies? Please update with a lightbar drawing.

Response: 4.13.2 is the appropriate design for the lightbar for item 8. Please refer to all updated sections under 4.13.1, 4.13.2, 4.13.3 and 4.13.4.

Question 14: Under Bid Item 9, Section 4.11 has a 48" lightbar listed but they have not provided a drawing, which lightbar layout applies? Please update with a lightbar drawing.

Response: 4.13.4 is the appropriate design for the lightbar for item 9. Please refer to all updated sections under 4.13.1, 4.13.2, 4.13.3 and 4.13.4.

Question 15: Bid Items 1 and 2 do not list a lightbar, controller or siren speakers, but there are references to these items in the lightbar layouts. Can you please verify if these items are needed for bid items 1 and 2?

Response: Lightbar design association has been updated. Items 1,2 and 3 do NOT have lightbars in the specifications. Please refer to all updated sections under 4.13.1, 4.13.2, 4.13.3 and 4.13.4.
