**003 - BACKGROUND**

2 of 39
The City of San Antonio ("City") seeks proposals from qualified Respondents offering locals and tourists a first-class artisanal culinary business establishment with an integral cultural and community element in the La Villita Historic Arts Village in San Antonio, Texas.

The goals of this RFP are to:

- advance the objectives of the 1939 La Villita Ordinance;
- offer unique and authentic artistic or cultural projects, workshops, ideas, and/or experiences to preserve the mission and direction of La Villita Historic Arts Village;
- support the vision established by the 2010 La Villita Ad Hoc Committee;
- enhance the La Villita visitor experience for residents and tourists;
- encourage participation by local artists, artisans, and creative businesses, to partner in an arts village to augment the artistic aspects of the facility, and;
- develop La Villita as a well-known, loved culture and arts destination.

Historic La Villita

La Villita is a unique, historic, and culturally significant facility located on the banks of the San Antonio River in downtown San Antonio, dating to the 18th century. La Villita developed on the east bank of the river as a settlement near Mission San Antonio de Valero (The Alamo), and its history has revolved around its function as a welcoming place for immigrants. During its history, La Villita's homes have been replaced, changed ownership, and served different functions. The variety of architectural styles reflect the 19th century cultural mix.

During Texas’ battle for independence, La Villita was the site of Mexican General Cos’ surrender in 1835 and where General Santa Anna positioned soldiers during the 1836 siege of the Alamo. Afterwards, La Villita continued its growth through the 19th century and was home to stonecutters, watchmakers, cabinetmakers, saloon keepers, dressmakers, and lawyers. The German Methodist Episcopal Church was built in 1879 and the McAllister grocery building was completed in 1880.

La Villita experienced a decline in the early 20th century, but local leaders acted to preserve this important piece of San Antonio’s history. In 1939, the City embarked on a joint effort with the National Youth Administration (NYA) to restore La Villita, and on October 12, 1939, City Council passed an ordinance that defined specific goals, objectives, and policies for La Villita.

The ordinance was a model for historic preservation and development, as well as an ordainment to showcase local arts, culture, and heritage. The initial restoration of six houses in La Villita began in October 1939. Dedicated in May 1941, La Villita became a center for community events and a home to artists and art galleries. La Villita continued to expand with the purchase of the St. Philip’s property in 1947 and the McAllister grocery building in 1949. In 1974, La Villita expanded by 25% with the addition, then restoration, of the five JoyKist Candy Company buildings. In 1969, the City established the La Villita Historic District. The area was listed on the National Register of Historic Places in 1972. City Council passed a resolution on July 7, 1981, re-confirming the 1939 goals, objectives and policies and emphasizing that leased facilities within La Villita be utilized for the promotion, manufacture, and/or retail sales of arts, crafts and related skills. Since then, La Villita’s buildings have been home to artisans and craftspeople, shops, and restaurants. Amidst the buildings, there are several event spaces and plazas in La Villita that are used for a variety of private, public, and cultural events and festivals. The Little Church of La Villita, located on Villita St., hosts weddings throughout the year and runs the Starving Artist Art Gallery and Little Church Food Pantry.
Retail Management Study

In 2009, Urban Marketing Collaborative (UMC) completed the La Villita Retail Management Study. UMC’s report stated La Villita is utilized by competing interests as a public venue, a rental space for special events, and a historically unique retail center.

The Study recommendations stated, in part:

“Improved retail management is required. This is in the form of stronger control over leasing and recruitment, marketing and promotions, retailer operations (e.g., hours of operation, use clauses), and retail layout and mix. It is important that each artisan and retail business in La Villita make an impact and develop a consistent brand image of the best artisan and craftspeople experience they can offer.”

In 2010, City Council designated an Ad Hoc Committee to review UMC’s recommendations. The Ad Hoc Committee included stakeholder and community representatives from the San Antonio Conservation Society, HemisFair Park Local Government Corporation, CPS Energy, Downtown Alliance, Cultural Arts Board, Downtown Residents Association, Convention & Visitors Bureau Commission, and the Historic Design & Review Commission. The committee held public input and community meetings to develop the mission statement and guiding principles below, which were included in their report.

Mission Statement: La Villita preserves San Antonio’s heritage, while promoting the arts and culture in a historic artisan village.

Guiding Principles:
1. Preserve architectural character.
2. Promote historic significance.
3. Gathering place.
4. Quality arts, crafts, and cuisine.
5. Collaborate and connect.
7. Memorable experience.

In October 2013, the City initiated a competitive solicitation process with a goal of implementing recommendations from the UMC Retail Study and the Ad Hoc Committee, and in 2015 City Council approved new leases for sites within La Villita.

UNESCO Creative City of Gastronomy: San Antonio 2017

Designated a Creative City of Gastronomy in late 2017, San Antonio’s mission is to strengthen the City’s culinary legacy as a confluence of cultures. Rooted in Spanish, European, and African traditions, the preservation and celebration of local culinary heritage is expected to spur equity, resilience, and sustainability, while providing a unique and distinctive cultural experience. At the same time, the designation is intended to spur innovation, creating new traditions and fostering sustainable practices of food production and distribution.

La Villita Area:

La Villita is located within an area that is experiencing significant economic investment and development - both in the public and private sectors with projects that include the following:

Hemisfair:

In 2009, the City of San Antonio formed the Hemisfair Park Area Redevelopment Corporation (HPARC) to assist with acquiring property, planning, developing, and constructing projects within Hemisfair. The HPARC plan incorporates diverse, pedestrian spaces and “complete streets” to accommodate a range of user groups and increase overall mobility, access and safety.

Hemisfair’s redevelopment anticipates substantial private investment that will reenergize new residential and business development opportunities. The Hemisfair plan features three urban parks, hidden parking, and specially paved, multiuse streetsbordered by vendors and cafes. The first of the parks, Yanaguana Garden, opened in October 2015 and attracted over 100K visitors in its first 90 days. A Civic Park and Tower Park are planned to open in 2019 and 2021. HPARC envisions Hemisfair as a magnet for people – both locals and visitors – with its ultimate transformation into an urban neighborhood bolstered by the power of collective living.
San Antonio River Walk:

The River Walk is a primary destination in San Antonio. Located just below street level, the San Antonio River winds between beautifully landscaped paths, adjacent to hotels, restaurants, bars and shops. The River Walk is a major income generator for the City.

The River Walk stretches for approximately five miles from the Pearl Brewery on the north, through downtown, to the King William Historic District and continues south for nine miles to Mission Espada. Rio San Antonio Cruises, the river’s boat transportation operator, provides a novel method of sightseeing and people-watching downtown. Guests can also dine on board as they cruise the scenic waterway. River taxis pick up and deliver visitors to riverside sites, including La Villita’s Arneson River Theatre and the newly expanded Henry B. Gonzalez Convention Center across South Alamo Street from La Villita.

Henry B. Gonzalez Convention Center Expansion Project

The Convention Center, across South Alamo Street from La Villita, completed a 776,000-square-foot in February 2016. In addition, 49,000 square feet of existing space will be renovated. Already the Convention Center hosts more than 300 events a year and the expansion is expected to attract even more activity.

Maverick Culinary Concept:

Beginning in 2019, Maverick Plaza, which rests in La Villita adjacent to South Alamo Street and Nueva St., has been selected to be the home of 3 new restaurants, each paying tribute to the culinary heritage of San Antonio. South Alamo Walkway, Villita St., King Phillip Walkway, and Nueva St. will also be receiving upgrades and renovations during this phase. This renovation will continue the cultural mission of La Villita and attract locals and tourists for meals, throughout the day, alongside an educational food kitchen and kiosks.

004 - SCOPE OF SERVICE

The City is seeking proposals from qualified prospective tenants who are proposing to offer locals and tourists a first-class artisanal, culinary business establishment in the La Villita Historic Arts Village that will be financially viable, maintained at the highest standards, and includes an integral cultural and community element that supports the mission and direction of La Villita.

This RFP offers historic Building #20 (Dosch-Rische House; 731.78 sq. ft.) which includes four interior rooms, attached outdoor restrooms (280.85 sq. ft.), and an adjacent exterior portion of Plaza Nacional (2,722.5 sq. ft.) for a term of 4 years, with two additional 1 year renewal options. Tenant may propose extending hours of operation outside of the standard shop hours and will be responsible for the maintenance of the included restrooms. The leased portion of Plaza Nacional may be used for private events that contract with the business. The leased portion of Plaza Nacional will be unusable during certain pre-contracted dates, such as NIOSA, during which the City may abate the rent for the affected square footage.

Below is the City's recommended use for Building #20. Respondents may submit a proposal for Building #20 and may propose a category that is different from the City's recommend use.

**Category:**

**Artisanal, Culinary Business w/ Cultural Experience:**

An artisanal, culinary business is defined as a business that offers an artisanal gastronomic element for the community that is curated by professional, culinary artisans and entrepreneurs. This business should offer a cultural experience that supports the mission and direction of La Villita. In addition to the core of the offering, the establishment can also provide artisan retail, community engagement elements, and additional mission-driven concepts.

The business sought should support the 1939 Ordinance of La Villita to "Preserve Culture" by proposing an artisanal culinary business with an integral cultural and community element included in some way (workshops, local-based cultural experiences, local makers, skills, a community engagement component, etc.), as well as complement San Antonio's Creative City of Gastronomy designation, guiding principles, and cultural experience promotion.

As La Villita is an integral component of the UNESCO City of Gastronomy designation, this business should promote the preservation and celebration of local culinary heritage, spurring equity, resilience, and sustainability while providing a unique and distinctive cultural experience. At the same time, the designation is intended to spur innovation, creating new traditions and fostering sustainable practices of food production and distribution.

J) It is agreed that Lessee’s insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

K) It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

By submitting an offer to or executing contract documents with the City of San Antonio, Company hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the contract. City hereby relies on Company's verification. If found to be false, City may terminate the contract for material breach.

CERTIFICATE OF INTERESTED PARTIES FORM (HB 1295)

Texas Government Code §2252.908, and the rules issued by the Texas Ethics Commission found in Title 1, Sections 46.1, 46.3 and 46.5 of the Texas Administrative Code, require a business entity to submit a completed Form 1295 to the City before the City may enter into a contract with that business entity.

Form 1295 must be completed online. It is available from the Texas Ethics Commission by accessing the following web address:  https://www.ethics.state.tx.us/filinginfo/1295

Print your completed Form 1295 and completed Section 06. Where requested to provide the name of the public entity with whom you are contracting, insert “City of San Antonio”. Where requested to provide the contract number, provide the RFP number shown on the cover page of this solicitation.

The following definitions found in the statute and Texas Ethics Commission rules may be helpful in completing Form 1295.

“Business entity” includes an entity through which business is conducted with a governmental entity or state agency, regardless of whether the entity is a for-profit or nonprofit entity. The term does not include a governmental entity or state agency. (NOTE: The City of San Antonio should never be listed as the “Business entity”.)

“Controlling interest” means: (1) an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock, or otherwise that exceeds 10 percent; (2) membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or (3) service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers. Subsection (3) of this section does not apply to an officer of a publicly held business entity or its wholly owned subsidiaries.

“Interested party” means: (1) a person who has a controlling interest in a business entity with whom a governmental entity or state agency contracts; or (2) an intermediary.

“Intermediary,” for purposes of this rule, means a person who actively participates in the facilitation of the contract or negotiating the contract, including a broker, adviser, attorney, or representative of or agent for the business entity who:

(1) receives compensation from the business entity for the person’s participation;

(2) communicates directly with the governmental entity or state agency on behalf of the business entity regarding the contract; and

(3) is not an employee of the business entity or of an entity with a controlling interest in the business entity.
By submitting a proposal, Respondent represents that:

If Respondent is a corporation, Respondent will be required to provide a certified copy of the resolution evidencing authority to enter into the contract, if other than an officer will be signing the contract.

If awarded a contract in response to this RFP, Respondent will be able and willing to comply with the insurance and indemnification requirements set out in RFP Exhibits 2 & 3.

If awarded a contract in response to this RFP, Respondent will be able and willing to comply with all representations made by Respondent in Respondent’s proposal and during Proposal process.
