003 – BACKGROUND

The City Council repurposed the Midtown Tax Increment Reinvestment Zone #31 in January 2022 to specifically support investments in public improvements along the Broadway Cultural Corridor including the Brackenridge Park (Park), the Witte Museum, the San Antonio Zoo and the San Antonio Botanical Gardens. The Midtown Tax Increment Reinvestment Zone (TIRZ) approved funding for a planning effort that would reconcile the projects and priorities in the various plans that include Brackenridge Park. Specifically, the Brackenridge Park Masterplan, the Brackenridge Park Cultural Landscape Plan, and the Midtown Regional Center Plan. The planning effort will include an updated project plan. The effort will also include a community engagement and public input plan.

As part of its planning for these investments at Brackenridge Park, the City of San Antonio seeks to contract with a consultant to reconcile and consolidate existing planning documents identifying projects for improvements within Brackenridge Park into a Reconciled Project Inventory for improvements to Brackenridge Park. Guided by the input of the City of San Antonio Brackenridge Park Stakeholder Advisory Committee and the project partners (Brackenridge Park Conservancy, Witte Museum, San Antonio Zoo, and San Antonio Botanical Gardens), the resulting Reconciled Project Inventory will reflect community consensus on projects within the Park.

Brackenridge Park is one of San Antonio's oldest and most historic parks. It encompasses 349 acres near the headwaters of the San Antonio River and its location has evidence of human activity for more than 11,000 years. The formal Park location was established in 1899 with the donation of 199 acres by George Brackenridge for public parkland. Over the years the Park has grown, and many popular destinations have been added within its boundaries including the San Antonio Zoo, the Witte Museum, the Japanese Tea Gardens, the First Tee, and the Sunken Garden Theater.

Brackenridge Park also has many picnicking areas, pavilions, a miniature train ride and other facilities that have been popular for family enjoyment for generations. Combined annual visitation to the Park and its destinations exceeds 1.5 million visitors a year. Brackenridge Park is on the National Register of Historic Places and is a Texas State Antiquities Landmark. The Japanese Tea Garden, a footbridge, and other works by artist Dionicio Rodriguez, and the Water Works Pump House No. 1 are individually listed in the National Register of Historic Places. The rich history of the Park adds to its charm and significance to the cultural and heritage of San Antonio.

The Reconciled Project Inventory should consider historic, cultural and natural features of the Park; the variety of current and future users of the Park facilities; impact to residents and businesses; and respect the environmental, cultural, and historical significance of the park. The consultants shall also work with the Stakeholder Advisory Committee to establish an Equity Evaluation process, in coordination with the City's Office of Equity, to guide the funding and implementation of future projects in the Park. The Reconciled Project Inventory should be coordinated with and support the operation of the privately-operated destinations within the park (i.e.: the Witte Museum, San Antonio Zoo, and others).

Over the past several years, plans have been completed identifying improvements and projects for Brackenridge Park. The existing plans share many overlapping components, but require reconciliation and consolidation into a comprehensive, community supported inventory of projects that can then be prioritized and phased into a holistic action plan for park improvements.

The existing planning documents to be reconciled include:

- The [Brackenridge Park Master Plan](#) (pdf attachment) was approved by City Council on March 2, 2017. With community input and additional feedback gathered in October and November 2016 three approved public strategies were presented include (1). Restoration of natural park features; (2) Restore, preserve, and articulate park cultural and historic features and (3) Increase visibility and pedestrian access to / within the Park.
- The City Council adopted the [Midtown Regional Center Plan](#) (pdf attachment) in June 2019 which includes several goals and strategies for the neighborhoods and commercial districts surrounding the Brackenridge Park
- The Brackenridge Park Conservancy released a [Cultural Landscape Report](#) (pdf attachment) (CLR) in 2021 to build upon the recommendations of the Masterplan through the development of an interdisciplinary systems-based approach to the Park's preservation and future growth and sets four intentions: (1) to heal Brackenridge Park's ecology, (2) to protect and celebrate its many layers of historic significance and cultural diversity, (3) to elevate its identity locally and nationally, and (4) to usher it into the 21st century. The CLR identified a treatment plan focused on eight natural and constructed landscape systems.

In addition to the City of San Antonio plans above, Bexar County and the San Antonio River Authority are collaborating on the implementation of the Bexar County River and Creek Program which includes ecosystem restoration and recreation projects along the San Antonio River in Brackenridge Park and the Spirit Reach trail connecting Brackenridge Park, through campus of the University of the Incarnate Word, to the Headwaters Sanctuary ending at Olmos Basin. Integration of these planned improvements will ensure that a complete integrated inventory of planned improvements is created.

Texas Government Code §2252.908, and the rules issued by the Texas Ethics Commission found in Title 1, Sections 46.1, 46.3 and 46.5 of the Texas Administrative Code, require a business entity to submit a completed Form 1295 to the City before the City may enter into a contract with that business entity.

Form 1295 must be completed online. It is available from the Texas Ethics Commission by accessing the following web address: <https://www.ethics.state.tx.us/filinginfo/1295>

Print and sign your completed Form 1295. Submit your signed Form 1295 with your response to this solicitation. Where requested to provide the name of the public entity with whom you are contracting, insert “City of San Antonio”. Where requested to provide the contract number, provide the RFP number shown on the cover page of this solicitation (e.g. IFB 6100001234, RFO 6100001234, or RFCSP 6100001234).

The following definitions found in the statute and Texas Ethics Commission rules may be helpful in completing Form 1295.

“Business entity” includes an entity through which business is conducted with a governmental entity or state agency, regardless of whether the entity is a for-profit or nonprofit entity. The term does not include a governmental entity or state agency. (NOTE: The City of San Antonio should never be listed as the “Business entity”.)

“Controlling interest” means: (1) an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock, or otherwise that exceeds 10 percent; (2) membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or (3) service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers. Subsection (3) of this section does not apply to an officer of a publicly held business entity or its wholly owned subsidiaries.

“Interested party” means: (1) a person who has a controlling interest in a business entity with whom a governmental entity or state agency contracts; or (2) an intermediary.

“Intermediary,” for purposes of this rule, means, a person who actively participates in the facilitation of the contract or negotiating the contract, including a broker, adviser, attorney, or representative of or agent for the business entity who:

- (1) receives compensation from the business entity for the person’s participation;
- (2) communicates directly with the governmental entity or state agency on behalf of the business entity regarding the contract; and
- (3) is not an employee of the business entity or of an entity with a controlling interest in the business entity.

Publicly traded business entities, including their wholly owned subsidiaries, are exempt from this requirement and are not required to submit Form 1295.
