

RFP ATTACHMENTS #26 - #28

Attachments #26 - #28 must be attached via the SAePS portal as individual attachments, clearly labeled with appropriate attachment number and name as space allows.

- **Attachment #26:** Market Analysis
 - The submitted proposal should address the current market demand within the area being served, demographics of the area, evaluate the demand and capture rate, analyze market competition, and how that demand will be addressed with the proposed project. The City recommends the Respondent address all the conditions related to the HUD regulations surrounding Market Assessments

- **Attachment #27:** Letters of Support from homeowner associations, neighborhood associations, neighborhood groups, state and local government representatives, etc.

- **Attachment #28:** Two Years of Third-Party Audited Financial Statements
 - Must include the two (2) most recent years' audited financial statements.
 - **Also include** organizational unaudited most recent quarterly statements to provide most recent data to compare to the audited financial statements.
