Solicitation Type and Name: **Request for Proposals – System Integration Services for Ariba & S/4**

Solicitation Number: RFP 25-075; RFx 6100019005

Description: The City of San Antonio (City) plans to transition to SAP's ARIBA and S/4 as part of our Third phase of our ERP upgrade, as the current COSA version of SAP support expires in the next two (2) years. The upgrade represents a strategic step in achieving the City of San Antonio's transformation to a Digital Enterprise. The selected vendor will work closely with internal COSA stakeholders and third-party partners to ensure the successful realization of the following benefits:

- Improved employee satisfaction due to a modern user interface.
- Increased service efficiencies from process automation.
- High-level improvement targets as listed in the FI Functional Services section of the RFP.
- Targeted data-driven decision making using embedded analytics.
- Improved integration capabilities to work more securely and flexibly with COSA partners.
- Enhanced compliance capability with applicable Federal, State and local law and compliance with COSA policies and processes.
- Reduction/elimination of Suppliers need to provide Private Information (PPI) via paper to complete purchasing transactions (e.g., banking info, EIN info, etc.).
