

CITY OF SAN ANTONIO PUBLIC WORKS DEPARTMENT

AMENDMENT 3

PROJECT NAME: Architectural Services for NCAA Final Four 2025 Improvements
RFQ #-PublicWorks02012021JEC

DATE: March 1, 2021

A. Alamodome Site Visit Questions:

1. What is the project timeline?

Answer:

- a. Responses due: March 18, 2021 at 10am CT
- b. Evaluations: May 2021
- c. Anticipated City Council: August 2021
- d. Design: 1 year
- e. Construction: 1 year

2. Is there a design standard for the Alamodome?

Answer: There is no design standard for the Alamodome, but any improvements will be subject to CoSA's Historical Preservation Office review and acceptance.

3. Where are the areas be constructed?

Answer: Work in the Upper Concourse will include the 4 corners and the South Eyebrow.

4. Any design work on the Northside of the Alamodome?

Answer: No design work will be completed at the Northside of the Alamodome.

5. Only Level 5 of the Eyebrow will be designed?

Answer: Yes, only level 5 of the South Eyebrow will be designed.

6. Will the time frame change due to the tight schedule?

Answer: No, we will follow Public Works procurement process. Project must be complete by December 2024. Earlier would be best.

7. Will Public Works be part of the project management?

Answer: Yes, Public Works will be part of the project management.
