Solicitation Type and Name: **Request for Qualifications – On-Call Environmental Consulting Services for San Antonio Airport System**

Solicitation Number: RFQ 24-174; RFx 6100018475

Description: The City of San Antonio's (City) Aviation Department is seeking Statements of Qualifications from professionally qualified firms with an interest in providing environmental compliance, sustainability initiatives and engineering consulting services, to include those specific to the aviation industry. These services need to comply with the regulations set forth by the Texas Commission for Environmental Quality (TCEQ) and the U.S. Environmental Protection Agency (USEPA) regarding management of industrial stormwater planning/permitting, soil/water profiling and sampling, soil excavation, municipal solid waste, hazardous waste, construction waste, hazardous materials, emissions, indoor air quality, recycling, solar power, water conservation, energy efficiency, planning, zoning, testing, monitoring, NEPA, cultural resources and various other City environmental projects. All firms responding must be qualified and have licensed, trained and/or certified personnel in accordance with state and federal rules to provide various environmental consulting services, to include those specific to aviation, or must joint venture or subcontract with a qualified firm to provide the services proposed. The selected firm(s) work will provide environmental consulting and remediation services in support of City operations, construction projects, and property acquisitions for the San Antonio International Airport (SAT) one (1) of two (2) airports in the San Antonio Airport System (SAAS). Stinson Municipal Airport, the designated general aviation reliever for SAT, is the second airport operated by the City.

Applicable Product Categories: 91843 – Environmental Consulting

Date Issued: October 8, 2024

Due Date & Time: December 6, 2024, 11:00 a.m. Central Time
