SUBJECT: Isom from Ramsey to US 281

DATE: October 24, 2002

SUMMARY AND RECOMMENDATIONS

This ordinance authorizes funds in the amount of \$403,541.10, payable to the Texas Department of Transportation (TxDOT), related to the City's share of twenty percent (20%) of construction cost in connection with Isom from Ramsey to US 281 project, an authorized Metropolitan Planning Organization (MPO) project, located in Council District 9. This is a multi-funded project funded from General Obligations of the City.

Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

As part of the implementation of Metropolitan Planning Organization (MPO) Surface Transportation Program projects, it is the City's responsibility to fund engineering, right of way acquisition, and twenty percent (20%) of construction cost. This payment will satisfy the City's financial escrow commitment in order for TxDOT to go forward with the completion of the construction contract for the Isom Road from Ramsey to US 281 project. This project provides for the reconstruction of Isom Road from Ramsey to US 281, modifying the existing 2-lane street to a 2-lane street with a continuous center turning lane and necessary drainage. This project includes 6-foot sidewalks at the curb.

POLICY ANALYSIS

Approval of this ordinance will be a continuation of City Council policy to participate in the development and construction of City selected and approved MPO projects which are approved annually by Council.

FISCAL IMPACT

This is a one-time capital improvement expenditure. Funds in the amount of \$403,541.10 are available from General Obligations of the City and authorized payable to the Texas Department of Transportation.

COORDINATION

This request for ordinance has been coordinated with the Office of Management and Budget, the Finance Department and the Texas Department of Transportation.

SUPPLEMENTARY COMMENTS

The Discretionary Contracts Disclosure Form is not required for this agreement.

Highway: Isom

Dear Mr. Krause:

As you are probably aware, bids for the referenced project are scheduled for receipt in December. As detailed in our agreement, Article 5, Sections C&D, Funding Responsibilities, The City of San Antonio is obligated to remit the balance of its financial contribution for the construction of this Project within 30 days from receipt of written notification from the State. Therefore, a check made payable to the Texas Department of Transportation in the amount of \$403,541.10 must be forwarded as soon as possible. Otherwise, this project risks being pulled from the letting.

Naturally, your prompt attention to this matter would be greatly appreciated by all the parties involved. If you have any questions, or require additional information, please contact Melissa Jordan at 615-5817. Thank you, in advance, for your assistance.

Sincerely,

John A. Saldaña, PE
for CCMO Manager
