PROGRAM

Seniors Jubilee
 Nov 3, 2001

Making a Difference is striving to make our neighborhood a wonderful place to live.

The twelve week summer nutritional/activity program held in Acme Road Park was a resounding success. We had an average of 30 to 40 of our neighborhood kids attend each Saturday during the months of June, July, and August. All of them were involved in our games, entertainment, nutritional and mentoring activities. They appeared to really have enjoyed themselves. The unbrable summer heat contributed to lowering the participation of a number of our kids during the scheduled hours of our activities. However, our goal was to be present and serve those who arrived to take part in the activities of the day. Our thanks goes out to all who supported us during our summer program, especially the neighborhood seniors whose help was an invaluable contribution to our program.

We were especially thankful to the Community Workers Council, including other neighborhood associations for the tremendous support they rendered in helping to cleanup our neighborhood. Their work with several city departments including Waste Management, Transportation, and Law Enforcement, helped to rid our neighborhood of unwanted elements. The neighborhood has become a better place to live. We feel that it is safer for our children and senior citizens.

The final day for our "12 Week Fun Fest Program" in Acme Park was held on Saturday, August 18, 2001. Our summer activities was closed with providing food, music and entertainment for our kids. Neighborhood residents and friends were invited to come out and enjoy the festivities with us and to show our kids that we were there to "Make a Difference" by supporting them.

This event is being held today to collectively celebrate and share with our seniors our appreciation for what they have done for to us. And to give back to them what they have so graciously given to us. So let's sit back and enjoy!

MAKING A DIFFERENCE

ESTABLISHED: March 2000

PURPOSE

Making A Difference is a group of West Side community volunteers that functions to serve and support the common goals of the Neighborhood Association.

STATEMENT of CLARIFICATION

Making A Difference is not in competition with the West Side Neighborhood Association. Making A Difference will establish and maintain a friendly working relationship with the West Side Neighborhood Association to enhance and compliment its efforts to build a better Neighborhood, Community and overall District 6. Good communications and human relationships between the two partners will always prevail.

MISSION

The mission of Making A Difference is to build pride, enhance the quality of life, preserve people and property values, and maintain a safe living and working environment within the West Side neighborhood community that are second to none within the City of San Antonio.

MEMBERSHIP

Any West Side neighborhood community resident is welcome to participate as a "Making A Difference Volunteer Member" with planning, organizing and coordinating functions and activities to achieve community goals and objectives. Membership is "open entry, open exit", that is; a resident, who participates in a function or activity, may choose not to do so in another, therefore the membership is temporarily dissolved until he or she re-enters to participate in another function or activity. However, Making A Difference encourages continuous volunteer membership.

Making a Difference will be represented by a volunteer Chairperson and committee support group to provide continuity with functions and activities.

SUPPORT

To achieve the overall goals and objectives of Making A Difference, support will be solicited from within the community and external to the community. Outreach efforts for support, to better our neighborhood, community and District, is our realization that our neighborhood, community, and District 6 can afford to operate as an island.

The seeds we plant today will be reaped by children tomorrow. Let those seeds be pride, profit, pleasure and peace. Together, We Can Make A Difference
