SUBJECT: Professional Services Contract for Third Party Administrator

DATE: October 23, 2002

**SUMMARY AND RECOMMENDATIONS**

This Ordinance ratifies the renewal and extension of a Contract with Cambridge Integrated Services Group, Inc. to provide Third Party Claims Administration Services for the City's Self-Insured Liability and Workers' Compensation programs. The term of the contract will be for a one-year period beginning October 1, 2002 through September 30, 2003, at a cost of \$1,011,750.

Staff recommends approval of this ordinance.

**BACKGROUND**

The City employs a Third Party Administrator to process, investigate, adjust, negotiate, and make payments for claims in accordance with the requirements of the Texas Workers' Compensation Act and the Texas Tort Claims Act. The City has had its Workers' Compensation program administered since 1974 and its Liability program administered since 1983 through various third party administrators. The Third Party Claims Administrator provides a vital service to the City by processing approximately 1,900 Workers' Compensation and 1,400 Liability claims a year.

Pursuant to Ordinance No. 92177, the City Manager and the Chief Operations Manager of Cambridge Integrated Service Group, Inc. executed an agreement for the provision of Third Party Claims Administration Services and allowed for a renewal for four (4) successive one (1) year periods. The cost for this renewal period is \$1,011,750.00. Through this Ordinance the City will be exercising its second renewal option, under the same terms and conditions.

**POLICY ANALYSIS**

On July 27, 2000, City Council passed and approved Ordinance 92177 which authorized the execution of the original Contract between the City and Cambridge Integrated Services Group, Inc. On September 27, 2001, City Council passed and approved Ordinance 94620 which renewed and extended the original contract for the second year. This Ordinance will authorize the continuation of the Third Party Claims Administration Services for the third of the five (5) year period as agreed upon in the Contract.

### **FISCAL IMPACT**

Third Party Claims Administration Services are budgeted for annually in the Self-Insurance Workers' Compensation and Liability Funds. The sources of these funds include operating revenues through departmental assessments for risk management services and non-operating revenues. Non-operating revenues include interest on time deposits, stop loss payments and recovery of subrogated claims. This Ordinance will authorize one full year of Third Party Claims Administration Services and recurring expenditures for subsequent years will be requested through Ordinance annually.

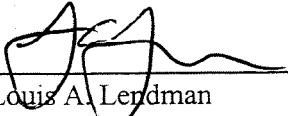

### **COORDINATION**

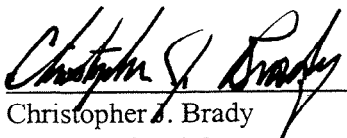

The Office of Management & Budget has coordinated this item with the City Attorney's Office and Finance Department.

### **SUPPLEMENTAL COMMENTS**

The City's Risk Manager has evaluated the services provided by Cambridge Integrated Services Group, Inc., and has determined them to be in compliance with the scope of services contained in the contract. I concur with this evaluation. The Discretionary Contracts Disclosure Form is attached.
