DATE: December 12, 2002

SUMMARY AND RECOMMENDATIONS

This ordinance appropriates funds from 1999 General Obligation (G.O.) Drainage Improvement Bonds in the amount of \$17,609.00 and authorizes the City of San Antonio Public Works Department to provide construction services for the Dijon Court Drainage Project. This is a 1999 Drainage bond authorized project located in Council District 1.

Staff recommends approval of this Ordinance.

BACKGROUND INFORMATION

The Dijon Court Drainage project provides for the reconstruction of the Dijon Court Drainage. The scope of the work includes the installation of an inlet, laying 50 feet of 24 inch pipe, grading out a small interceptor ditch / channel, and reworking a portion of the concrete channel to mesh with the pipes and the interceptor ditch. This work will be performed by City forces. Construction is scheduled to be completed by January 2003.

POLICY ANALYSIS

Approval of this ordinance will be a continuation of City Council policy to construct a 1999 (G.O.) Drainage Improvement Bonds funded Capital Improvement Projects.
