**THROUGH:** Terry M. Brechtel, City Manager

**COPIES:** Melissa Byrne Vossmer; Andrew Martin; Louis A. Lendman; Milo D. Nitschke; File

**SUBJECT:** Jo Marie from W.W. White to 100 Block, Phase I

**DATE:** May 15, 2003

**SUMMARY AND RECOMMENDATIONS**

This ordinance appropriates \$219,334.25 from 1999 General Obligation Street Improvement Bonds and authorizes the City of San Antonio Public Works Department to provide construction services for the Jo Marie from W.W. White to 100 Block, Phase I project. This is a 1999 General Obligation Street Improvement Bond authorized project, located in Council District 3.

Staff recommends approval of this ordinance.

**BACKGROUND INFORMATION**

The original bond scope provided for the street reconstruction of Jo Marie to include curbs, sidewalks, driveway approaches and underground storm drainage. Due to a shortage of funds, the scope has been revised. Phase I will be done by City Forces and will consist of regrading the roadside ditches, placing larger pipes under the driveways, constructing concrete driveway approaches, placing a commercial driveway at the end of the street to give garbage trucks a place to turn around, and street milling and overlaying. Phase II provides an outfall channel south of Jo Marie and underground drainage on W.W. White from Southcross to the outfall channel. Phase II is unfunded. This project is scheduled to start construction in June 2003 and be completed by July 2003.

**POLICY ANALYSIS**

Approval of this ordinance will be a continuation of City Council policy to complete previously approved 1999 General Obligation Street Improvement Bond funded Capital Improvement Projects.

### FISCAL IMPACT

This is a one-time capital improvement expenditure within budget and included in the FY 03-08 Capital Improvement Program Budget. Funds in the amount of \$219,334.25 are available from the 1999 General Obligation Street Improvement Bonds and authorized payable to the City Forces Account.
