INTERDEPARTMENTAL MEMORANDUM  
PURCHASING & GENERAL SERVICES DEPARTMENT**

**CONSENT AGENDA**  
**ITEM NO. 5**

**TO:** Mayor and City Council

**FROM:** Janie B. Cantu, Director of Purchasing & General Services

**THROUGH:** Terry M. Brechtel, City Manager

**COPIES:** Travis M. Bishop, Assistant City Manager;  
Department Directors; File

**SUBJECT:** Annual Contracts for Fiscal Year 2003-2004

**DATE:** October 16, 2003

**SUMMARY & RECOMMENDATION:**

The attached tabulations of bids to provide the City of San Antonio with annual contracts for various materials and services is hereby submitted for Council consideration and action. Annually at this time, bids are requested for various materials, parts and services. This ordinance includes contracts for copier printer paper; and door to door delivery of brush collection notices.

Many bids are on a firm, non-escalating basis, while others such as petroleum related items and certain other commodities require escalation of prices during the contract period. Generally, bids reflect small increases over recent prior years, but in many cases reflect decreases.

It is recommended that these contracts be approved.

**SECTION I:** The bids in this section are competitive bids in which award is recommended to the lowest bidders. (3contracts)

**SECTION II:** The bids in this section are low qualified bids in which award is recommended to bidders other than the lowest bidders because the lowest bids failed to meet City's specifications. (1contract)

**POLICY ANALYSIS:**

Annual contracts are an efficient method of securing the best prices through volume purchasing and by reducing large amounts of work related to the bid process. This group of contracts represents a portion of approximately 250 annual contracts that will be brought before City Council throughout the remainder of the fiscal year.

**FINANCIAL IMPACT:**

Funds are not expended by this ordinance. All expenditures will be in accordance with the 2003-2004 budget to be approved by City Council. The total estimated amount for the contracts listed on this ordinance are approximately \$473,127.

**SUPPLEMENTAL COMMENTS:**

Several agencies including schools, municipalities, Bexar County, San Antonio Water System, and City Public Service have been included in some of the bids in a cooperative effort.
