CONSENT AGENDA

ITEM NO. 6

TO: Mayor and City Council

FROM: Janie B. Cantu, Director of Purchasing & General Services

THROUGH: Terry M. Brechtel, City Manager

SUBJECT: Annual Contracts for Fiscal Year 2003-2004

DATE: January 22, 2004

SUMMARY & RECOMMENDATION:

The attached tabulations of bids is hereby submitted for Council consideration and action. Annually at this time, bids are requested for various materials, parts and services. This ordinance includes spoken word compact discs and audiocassettes, personal computers, servers, printers and scanners, computer hardware, devices and components.

Many bids are on a firm, non-escalating basis, while others such as petroleum related items and certain other commodities require escalation of prices during the contract period. Generally, bids reflect small increases over recent prior years, but in many cases reflect decreases.

It is recommended these contracts be approved.

SECTION I: The bids in this section are single source of supply contracts. (1 contract)

SECTION II: The bids in this section are competitive bids in which award is recommended to the lowest bidders. (13 contracts)

POLICY ANALYSIS:

Annual contracts are an efficient method of securing the best prices through volume purchasing and by reducing large amounts of work related to the bid process. This group of contracts represents a portion of approximately 250 annual contracts that will be brought before City Council throughout the remainder of the fiscal year.

FINANCIAL IMPACT:

Funds are not expended by this ordinance. All expenditures will be in accordance with the 2003-2004 budget approved by City Council. The combined total estimated amount for contracts listed on this ordinance is approximately \$410,488.

SUPPLEMENTAL COMMENTS:

Several agencies including schools, municipalities, Bexar County, San Antonio Water System, and City Public Service have been included in some of the bids in a cooperative effort.
