**CITY OF SAN ANTONIO
INTERDEPARTMENTAL MEMORANDUM
PURCHASING & GENERAL SERVICES DEPARTMENT**

CONSENT AGENDA
ITEM NO. 6

TO: Mayor and City Council

FROM: Janie B. Cantu, Director of Purchasing & General Services

THROUGH: Terry M. Brechtel, City Manager

COPIES: Erik J. Walsh, Assistant to the City Manager;
Department Directors; File

SUBJECT: Annual Contracts for Fiscal Year 2003-2004

DATE: April 1, 2004

SUMMARY & RECOMMENDATION:

The attached tabulations of bids is hereby submitted for Council consideration and action. Annually at this time, bids are requested for various materials, parts and services. This ordinance includes San Antonio Newspaper archive database license, processing of waste tires, games, arts & crafts, ceramic pottery equipment supplies, automotive storage batteries for EMS modular ambulances, sports equipment, extended view LED traffic signal lights.

Many bids are on a firm, non-escalating basis, while others such as petroleum related items and certain other commodities require escalation of prices during the contract period. Generally, bids reflect small increases over recent prior years, but in many cases reflect decreases.

It is recommended these contracts be approved.

- SECTION I:** The bids in this section are single source of supply contracts. (1 contract)
- SECTION II:** The bids in this section are low responsive bids in which award is recommended to the lowest bidder. (14 contracts)
- SECTION III:** The bids in this section are low responsive bids in which award is recommended to bidders other than the lowest bidders because the lowest bids failed to meet City's specifications. (9 contracts)

POLICY ANALYSIS:

Annual contracts are an efficient method of securing the best prices through volume purchasing and by reducing large amounts of work related to the bid process. This group of contracts represents a portion of approximately 250 annual contracts that will be brought before City Council throughout the remainder of the fiscal year.

FINANCIAL IMPACT:

Funds are not expended by this ordinance. All expenditures will be in accordance with the 2003-2004 budget approved by City Council. The combined total estimated amount for contracts listed on this ordinance is approximately \$1,633,336.

SUPPLEMENTAL COMMENTS:

The use of extended view LED traffic signal lights is the result of a Bottom Line Strengthening recommendation included in the Adopted FY 2004 Budget. Replacement of the City's current incandescent bulbs with energy efficient light emitting diode (LED) bulbs is estimated to yield a maximum of \$200,000 in electricity cost savings to the City. Funding for the extended view LED traffic signal lights is contingent upon award of a State Energy Conservation Office "LoanSTAR" Program loan. This program provides low interest loans to government agencies to fund energy cost reduction projects. Loans are to be paid back through savings realized from reduced electrical bills.

Several agencies including schools, municipalities, Bexar County, San Antonio Water System, and City Public Service have been included in some of the bids in a cooperative effort.

for Janie Cantu, C.P.M., Director

Purchasing & General Services

Approved:

Erik J. Walsh, Assistant to the City Manager
City Manager's Office

No Bid: Diallight Corp.

NAS

TraStar: Disqualified due to the vendor's failed testing of samples. The samples did not meet bid specifications.

Estimated Cost: \$1,323,742.39

Total Contract Cost: \$3,971,227.17

Using Department: Public Works, Traffic Division

This contract will provide for Extended View Light Emitting Diode (LED) Traffic Signal and Pedestrian lights at various intersections throughout the city. Similar LED lights were previously contracted, however, due to numerous documented delivery issues and changes to specifications, the contract was cancelled. These LED lights, not only rival the prices of the current State Contract, but also prove to have longer lifespans and increased energy efficiency wherein a sizeable savings to the City will be realized.
