SUMMARY AND RECOMMENDATIONS

This ordinance accepts the proposal and awards a professional service contract in the amount of \$58,000 payable to Rehler Vaughn & Koone, Inc., a SBE, for architectural services and authorizes \$12,000 for contingency expenses and initial geotechnical surveys, for an overall total amount of \$70,000 in connection with the Hausman Road Branch Library project, an authorized 1999-2003 General Obligation Library Improvement and 2003-2007 General Obligation Bond funded project located on Hausman Road in City Council District 8.

Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

This project will provide for an approximately 15,000 square-foot facility, a new City park, a regional youth sports facility component, and an additional 2,000-5,000 square feet of community meeting and other facilities on a 17 to 24 acre site located on Hausman Road, in the vicinity of Woller Road.

This ordinance authorizes compensation to Rehler Vaughn & Koone, Inc., to provide professional services in advance of the full scope of professional design services for the project. These services will assist in the determination of the final scope of the architectural and engineering services required for complete project development and will include site assessment, review of the standing library program, programming of the library upgrade portion, parks master-planning and initial civil engineering work related to platting, code conformance and coordination for a future adjacent roadway as shown in the Professional Services Agreement included herein as Attachment 3.

This firm was selected following the City's release of a Request for Qualifications to which twenty-four (24) firms responded. The Public Works Architect and Engineering Selection Committee selected Rehler, Vaughn & Koone, Inc., which was rated highest of the 24 firms. The Statement of Interest Review Summary is included herein as Attachment 2. Rehler Vaughn & Koone, Inc. currently has one contract with the City's Parks and Recreation Department in the amount of \$92,000 for the Lorence Creek Park and Upper Salado Creek Greenway Improvements and one contract with the City's Public Works Department in connection with the Semmes Branch Library at Comanche Lookout Park totaling \$220,000.

The initial services for this project are anticipated to be complete by September of 2004. Council Action will be requested at a later date to amend the Professional Services Agreement and approve subsequent design phases for the project with the full scope of design services expected to begin in November 2004. Construction is anticipated to begin in January 2006 and to be completed in March 2007.

POLICY ANALYSIS

Approval of this ordinance will be a continuation of City Council policy to implement previously approved 1999-2003 General Obligation Library Improvement and 2003-2007 General Obligation Bond funded Capital Improvement Projects.

FISCAL IMPACT

This is a one-time capital improvement expenditure within budget and not included in the FY 04-09 Capital Improvement Program Budget. Funds in the amount of \$31,400 are available from 1999 General Obligation Library Improvement Bonds, \$12,300 are available from 2003 General Obligation Library Improvement Bonds, and \$26,300 are available from 2003 General Obligation Parks Improvement Bonds, and are authorized payable as follows:

\$58,000.00	payable to Rehler Vaughn & Koone, Inc. for architectural services
\$12,000.00	payable for contingency expenses and initial geotechnical surveys

CONSULTING SERVICES	§	CITY OF SAN ANTONIO

CONTRACT FOR
HAUSMAN ROAD BRANCH LIBRARY

This Agreement made and entered into in San Antonio, Bexar County, Texas, between the City of San Antonio, a Municipal Corporation in the State of Texas, hereinafter termed "City" and

Rehler Vaughn & Koone, Inc.
745 E. Mulberry, Suite 601
San Antonio, Texas 78212-3186

hereinafter termed "Consultant", said Agreement being executed by the City pursuant to the City Charter, Ordinances, and Resolutions of the City Council, and by said Consultant for architectural services hereinafter set forth in connection with the above designated Project for the City of San Antonio.

I.

The Consultant shall not commence work on this proposed Project until being thoroughly briefed on the scope of the project and notified in writing to proceed. The scope of the project and the Consultant's services required shall be reduced to a written summary and included as a product of this Agreement. Should the scope subsequently change, either the Consultant or the City may request a review of the anticipated services, with an appropriate adjustment in fees.

The Consultant, in consideration for the compensation herein provided, shall render the professional services necessary for the development of the Project.

Where applicable, Consultant shall be represented by a registered professional licensed to practice in the State of Texas at meetings of any official nature concerning the Project, including but not limited to scope meetings and review meetings.

Where applicable, all completed documents submitted for final approval or issuance of a permit shall bear the seal with signature and date adjacent thereto of a registered professional.

II. Scope of Services - Completion Schedule

The scope of services and time period in which such services are to be performed and/or completed by the Consultant is set forth in attachment hereto which is made a part hereof and identified as Exhibit 1.

III. Liquidated Damages

If the Consultant fails to furnish the completed work as herein required, or fails to comply with an attached completion schedule, to the extent Consultant fails to comply, for each day Consultant exceeds the schedule, the Consultant by the execution of this Agreement acknowledges that the City will sustain damages and hereby agrees to forfeit to the City, as liquidated damages and not as a penalty, the amount of \$250.00 per each calendar day.

The Consultant further acknowledges the said amount of liquidated damages is fixed and agreed upon by and between the Consultant and the City because of the impracticality and extreme difficulty of fixing and ascertaining the actual damages the City would in such event sustain, and said amount is agreed to be the amount of damages which the City would sustain and said amount shall be retained by the City. These liquidated damages will be implemented following notification of the City to consultant of said failure to furnish completed work.

The Consultant shall not be liable or responsible for, and there shall be excluded from the computation of the aforesaid periods of time, any delays due to strikes, riots, acts of God, national emergency, acts of the public enemy, governmental restrictions, laws or regulations, or any other causes beyond Consultant's reasonable control. Within thirty (30) days from the occurrence of any event for which time for performance by Consultant shall be significantly extended under this provision, Consultant may give written notice thereof to the City stating the reason for such extension and the actual or estimated time thereof.

IV. Coordination with the City.

- A. The Consultant shall hold periodic conferences with the City or its representatives to the end that the Project as developed shall have the full benefit of the City's experience and knowledge of existing needs and facilities, and be consistent with its current policies and standards. To assist the Consultant in this coordination, the City shall make available for the Consultant's use all existing plans, statistics, computations and other data in its possession relative to this particular Project at no cost to the Consultant. However, any and all such information shall remain the property of the City and shall be returned if so instructed.
- B. The City may be represented by the Director of a City Department and will act on behalf of the City with respect to the work to be performed under this Agreement. A Director shall have complete authority to transmit instructions, receive information, interpret and define the City's policies and decisions with respect to materials, equipment, elements and systems pertinent to the Consultant's services.

- C. The City will give prompt written notice to the Consultant whenever the City observes or otherwise becomes aware of any defect in the Consultant's services or any development that affects the scope or timing of the Consultant's services.
- D. The City shall furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for the completion of the Project. The Consultant will provide the City reasonable assistance in connection with such approvals and permits such as the furnishing of data compiled by the Consultant pursuant to other provisions of the contract, but shall not be obligated to develop additional data, prepare extensive reports or appear at hearings or the like unless compensated therefor under other provisions of this contract.

V. Compensation

For and in consideration of the services to be rendered by the Consultant in this Agreement, the City shall pay and the Consultant shall receive the fee set forth in attachment hereto which is made a part hereof and identified as Exhibit 2.

VI. Revisions

The Consultant shall make without expense to the City such revisions to reports or other documents as may be required to meet the needs of the City which are within the Scope of the Project, but any revisions, additions, or other modifications made at the City's request which involves extra services and expenses to the Consultant shall be subject to additional compensation to the Consultant for such extra services and expenses.

VII. Ownership of Documents

All documents including original drawings, estimates, specifications, and data, will remain the property of the Consultant as instruments of service. However, it is to be understood that the City shall have free access to all such information with the right to make and retain copies of drawings and all other documents and data. Any reuse without specific written verification or adaptation by Consultant will be at City's sole risk and without liability or legal exposure to the Consultant.

VIII. Termination and/or Suspension of Work

A. Right of Either Party to Terminate

This Agreement may be terminated by either party for substantial failure by the other party to perform (through no fault of the terminating party) in accordance with the terms of this Agreement.

The terminating party must issue a signed, written notice of termination (citing this paragraph) to the other party. Upon receipt of such written notice of termination, the party in receipt shall have a period of ten (10) days to cure any failure to perform under this Agreement. Upon the completion of such ten day period commencing upon receipt of notice of termination, if such party has not cured any failure to perform, such termination shall become effective.

B. Right of City to Terminate

The City of San Antonio reserves the right to terminate this Agreement for reasons other than substantial failure by the Consultant to perform by issuing a signed, written notice of termination (citing this paragraph) which shall take effect on the twentieth day following receipt of said notice.

C. Right of City to Suspend Giving Rise to Right of Consultant to Terminate

The City of San Antonio reserves the right to suspend this Agreement for the convenience of the City by issuing a signed, written notice of suspension (citing this paragraph) which shall outline the reasons for the suspension and the duration of the suspension but in no way will guarantee the total number of days of suspension. Such suspension shall take effect immediately upon receipt of said notice of suspension by the Consultant (effective date of suspension).

The Consultant is hereby given the right to terminate this Agreement in the event such suspension extends for a period in excess of one hundred twenty (120) days. Consultant may exercise this right to terminate by issuing a signed, written notice of termination (citing this paragraph) to the City after the expiration of one hundred twenty (120) days from the effective date of the suspension. Termination (under this paragraph) shall become effective immediately upon receipt of said written notice by the City.

D. Procedures Consultant to follow upon Receipt of Notice of Termination

Upon receipt of a notice of termination and prior to the effective date of termination, unless the notice otherwise directs or Consultant immediately takes action to cure a failure to perform under the cure period set out herein above, Consultant shall immediately begin the phase-out and the discontinuance of all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement. Within thirty (30) days after receipt of such notice of termination (unless Consultant has successfully cured a failure to perform) the Consultant shall submit a statement showing in detail the services performed under this Agreement prior to the effective date of termination. The City shall have the option to grant an extension to the time period for submittal of such statement.

Copies of all completed or partially completed specifications and reproducibles of all completed or partially completed plans prepared under this Agreement prior to the effective date of termination shall be delivered to the City as a pre-condition to final payment. These documents shall be subject to the restrictions and conditions set forth in VII above.

Upon the above conditions being met, the City shall promptly pay the Consultant that proportion of the prescribed fee which the services actually performed under this Agreement bear to the total services called for under this Agreement, less previous payments of the fee.

Failure of the Consultant to comply with the submittal of the statement and documents as required above shall constitute a waiver by the Consultant of any and all rights or claims to collect monies that Consultant may rightfully be entitled to for services performed under this Agreement.

E. Procedures Consultant to Follow upon Receipt of Notice of Suspension

1. Upon receipt of written notice of suspension, which date shall also be the effective date of the suspension, the Consultant shall, unless the notice otherwise directs, immediately begin to phase-out and discontinue all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders and contracts are chargeable to this Agreement.

Consultant shall prepare a statement showing in detail the services performed under this Agreement prior to the effective date of suspension.

Copies of all completed or partially completed plans and specifications prepared under this Agreement prior to the effective date of suspension shall be prepared for possible delivery to the City but shall be retained by the Consultant until such time as Consultant may exercise the right to terminate.

2. In the event that Consultant exercises the right to terminate thirty (30) days after the effective suspension date, within thirty (30) days after receipt by the City of Consultant's notice of termination, Consultant shall submit the above referenced statement showing in detail the services performed under this Agreement prior to the effective date of suspension.

Additionally, any documents prepared in association with this Agreement shall be delivered to the City as a pre-condition to final payment.

Upon the above conditions being met, the City shall promptly pay the Consultant that proportion of the prescribed fee which the services actually performed under this Agreement bear to the total services called for under this Agreement, less previous payments of the fee.

The City, as a public entity, has a duty to document the expenditure of public funds. Consultant acknowledges this duty on the part of the City. To this end, Consultant understands that failure of Consultant to substantially comply with the submittal of the statements and documents as required herein shall constitute a waiver by the Consultant of any portion of the fee for which Consultant did not supply such necessary statements and/or documents.

IX. Consultant's Warranty

The Consultant warrants that he has not employed or retained any company or person other than a bona fide employee working solely for the Consultant to solicit or secure this Contract, and that he has not for the purpose of soliciting or securing this Contract paid or agreed to pay any company or person, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of this contract. For breach of this warranty, the City shall have the right to terminate this contract under the provisions of VIII above.

X. Equal Employment Opportunity/Minority Business Advocacy

The Consultant agrees not to engage in employment practices which have the effect of discriminating against any employee or applicant for employment; and, will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to their race, color, religion, national origin, sex, age, handicap, or political belief or affiliation. Specifically, the Consultant agrees to abide by all applicable provisions of the Nondiscrimination Clause and the Small Business Economic Development Advocacy Program as contained in the City of San Antonio's current Affirmative Action Plan on file in the City Clerk's Office. In the event non-compliance occurs, the Consultant, upon written notification by the City, will commence compliance procedures within thirty (30) days.

Consultant hereby acknowledges that it is the policy of the City to assist in increasing the competitiveness and qualifications of small ("SBE"), women ("WBE"), African-American ("AABE"), handicapped and minority-owned business ("MBE") enterprises in order to afford greater opportunities for obtaining and participating in contracts, related subcontracts, and leases and concessions awarded by City. This policy and its implementation is known as the Small Business Economic Development Advocacy Program (hereinafter referred to as "SBEDA Program").

Where applicable:

Consultant agrees to implement the plan submitted in Consultant's response to City's Request for Interest Statement under the SBEDA Program for Small, Minority, African-American, and Women-owned Business Participation in this Agreement, thereby meeting the percentages for participation of those groups as submitted therein. Consultant agrees to be in full compliance with this article by meeting the percentages listed in Consultant's Interest Statement no later than 60 days from the date of execution of this Agreement, and to remain in compliance throughout the term of this Agreement. Consultant further agrees to continue to make every effort to utilize businesses for subcontracting and supplying during the duration of this Agreement, as may be approved pursuant to this Agreement, that will meet the percentages submitted in Consultant's Interest Statement. Changes in contract value by changes in work orders, Agreement amendments, or use of contract alternatives, which result in an increase in the value of the Agreement by 10% or greater require the Consultant to increase its use of business enterprises described in this section, if such is necessary to maintain the same percentages as exist in Consultant's Interest Statement. However, the delegation of any duties hereunder by any means must be approved by City as stated herein.

Consultant shall maintain records showing all contracts, subcontracts, and supplier awards to SBE/MBE/AABE/WBE's. Consultant shall submit annual reports to City's Department of Economic Development, identifying the above activity and other efforts at increasing SBE/MBE/AABE/WBE participation in the Agreement. Further, such records shall be open to inspection by City or its authorized agent at all reasonable times. Should City find that Consultant is not in compliance with this article, City shall give notice of non-compliance to Consultant. Consultant shall have 30 calendar days to correct any and all deficiencies in compliance with this article. Failure to comply with this article and/or to correct any deficiencies within the time allotted shall be considered a material breach of this Agreement and may subject Consultant to any of the penalties listed in City of San Antonio Ordinance No. 77758, at City's option. Further, such failure may be considered a default for which City may terminate this Agreement in accordance with Article VIII, Termination.

Consultant shall appoint a representative of its company to administer and coordinate its efforts to carry out these requirements.

In all events, Consultant shall comply with the City's Small Business Economic Development Advocacy Program, contained in San Antonio Ordinance No. 77758, and the amendments thereto. Said ordinances are incorporated herein for all purposes, as if fully set forth herein.

It is City's understanding, and this Agreement is made in reliance thereon, that Consultant, in the performance of services required hereunder, will use the subcontractor(s) listed in its response to City's Request for Interest Statement.

Any work or services subcontracted by Consultant shall be by written contract, and unless specific waiver is granted in writing by City, shall be subject by its terms to each and every provision of this Agreement. Compliance by subcontractor with the provisions of said contract shall be the responsibility of Consultant.

City shall in no event be obligated to any third party, including any subcontractor of Consultant, for performance or services or payment of fees.

XI. Assignment or Transfer of Interest

The Consultant shall not assign or transfer Consultant's interest in this Agreement without the written consent of the City.

XII. Insurance requirements

The City shall have no duty to pay or perform under this Agreement until such certificate shall have been delivered to the City and the City Clerk's Office, and no officer or employee shall have authority to waive this requirement.

- B. The City reserves the right to review the insurance requirements of this section during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverage and their limits when deemed necessary and prudent by the City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Contract, but in no instance will the City allow modification whereupon the City may incur increased risk.
