OPPOSE

Frank Barrera, 3222 Hatton, stated his only concern is the removal of "NA". He stated should this storage facility move or go out of business another business would be able to operate at that location with the sales of alcohol. He stated the surrounding property owners oppose any other alcohol facility into the neighborhood.

Roberto Ramirez, stated he is in opposition of the mini storage facility. He feels the property is not big enough for this operation. He also expressed concerns with the proposed development encroaching on the surrounding residential properties. He also feels threatened by the lighting this facility would have as well as any type of paging system or alarm systems.

Staff stated there were 40 notices mailed out to the surrounding property owners, 1 returned in opposition and 7 returned in favor and no response from Thompson Community Association.

Everyone present, for and against having been heard and the results of the written notices having been received, the Chairman declared the public hearing closed.
