FINANCE DEPARTMENT**

SUBJECT: City of San Antonio Investment Policy Annual Review

DATE: September 30, 2004

SUMMARY AND RECOMMENDATION

This ordinance approves an Investment Policy for the City of San Antonio, Texas, in accordance with the requirement of the Texas Public Funds Investment Act (the "Act"), as amended, for City Council to annually review and approve the City's Investment Policy; designates certain employees as Investment Officers for the City of San Antonio; and provides for an immediate effective date.

Staff recommends approval of this Ordinance.

BACKGROUND INFORMATION

The purpose of the City's Investment Policy is to provide a framework for the prudent and efficient investment of City funds, with the objectives of preservation and safeguarding of principal, liquidity, diversification, and return on investments. The City's Investment Policy designates the following employees as Investment Officers for the City of San Antonio: Director of Finance, Assistant Directors of Finance, Tax Assessor, Division of Financial Management: Financial Manager, Financial Analyst, Investment Officer, and Finance Officers. The City's Investment Committee is comprised of two representatives from the City Council, two representatives from the City Manager's Office, the Director of Finance, Assistant Directors of Finance, Controller, Tax Assessor, Director of the Office of Management and Budget and the following individuals from the Division of Financial Management: Financial Manager, Financial Analyst, Investment Officer and Finance Officers.

The Act requires an annual review of the Investment Policy by City Council. The proposed Investment Policy updates the existing policy that was approved by City Council on September 11, 2003, and contains only minimal changes. These changes include (1) in the investment strategy section, the name of the Solid Waste Fund was changed to the Environmental Services Fund; and (2) in the investment strategy section, the Convention Center Expansion Project is no longer listed as an example of a fund in which the Capital Projects Funds strategy applies. This change was made because of the completion of the Convention Center Expansion Project. The proposed changes to the Investment Policy were reviewed and approved by the City's Investment Committee on September 14, 2004.

In accordance with the Act and the City's Investment Policy, a Request for Qualifications to Provide Broker/Dealer Services to the City of San Antonio ("Broker/Dealer RFQ") was mailed to fifty-one (51) firms on July 19, 2004. On August 20, 2004, thirty-seven (37) firms responded. The written proposals were scored according to the criteria incorporated in the Broker/Dealer RFQ, which included Fixed Income Desk Existence, Experience, Firm Stability, Market Data, Quality of the Written Response, Professionalism and Knowledge, Business Practice and Customer Service, and Small Business Economic Development Advocacy Program goals. The proposals were scored within three (3) categories based on capital: firms with capital greater than \$500,000,000; firms with capital greater than \$20,000,000 but less than \$500,000,000; and firms with capital less than \$20,000,000. The scoring in these three categories provided a better opportunity for large, medium, small, local, and SBEDA firms to compete with one another. The highest scoring firms in each category were recommended to the City's Investment Committee.

On September 14, 2004, the following firms were approved by the City's Investment Committee to engage in investment transactions with the City for a two-year period beginning October 1, 2004 through September 30, 2006.

- Citigroup Global Markets Inc.
- First Southwest Company
- Frost National Bank
- Great Pacific Securities
- Intercontinental Asset Management Group, Ltd*
- J.P. Morgan Securities Inc
- Loop Capital Markets*
- Merrill Lynch
- Morgan Keegan & Company, Inc.
- Pryor Doley Securities*
- Raymond James & Associates Inc.
- Seattle Northwest Securities
- Southwest Securities
- Wells Fargo Brokerage Services, LLC.
- Zions First National Bank

*SBEDA firm.

While it is anticipated that these firms will remain in effect for a two-year period, the City's Investment Committee is required to review, revise and adopt, at least once per year, the list of qualified eligible Broker/Dealers and banks with whom the City does business and will perform a review of these firms prior to the commencement of Fiscal Year 2006.

In accordance with the Act and the City's Investment Policy, a Request for Qualifications to Provide Money Market and Mutual Fund Investment Services to the City of San Antonio ("Money Market RFQ") was mailed to twenty-two (22) firms on July 19, 2004. On August 20, 2004, fourteen (14) firms responded. The written proposals were scored according to the criteria incorporated in the Money Market RFQ, which included Qualifications and Experience, Business Practice and Customer Service, Portfolio Performance, Quality of the Written Response, and Small Business Economic Development Advocacy Program goals. The firm with the highest score was proposed to the City's Investment Committee to provide Money Market and Mutual Fund Investment Services.

On September 14, 2004, the following firm was approved by the City's Investment Committee to provide Money Market and Mutual Fund Investment Services to the City for five year period beginning October 1, 2004 through September 30, 2009.

- Fidelity Investments

POLICY ANALYSIS

The annual review of the City's Investment Policy and the designation of certain City employees as Investment Officers for the City of San Antonio is consistent with the Act requirements. In addition, the City's Investment Policy complies with all other requirements of the Act and provides the framework that is utilized by City Staff to manage the City's investment portfolio, invest in money market mutual funds and mutual funds and to execute investment transactions with broker/dealers.

FINANCIAL IMPACT

This ordinance has no direct financial impact, however, approval of this Investment Policy provides the mechanism for the prudent, stable and efficient administration of the City's investment activity.

Except as provided below

First Southwest Company ("FSC") has not been involved in any claim or litigation with the City of San Antonio, Texas and except as provided below, has not been involved in any claim or litigation relating to the firm's public finance business within the past ten years.

In October, 1997, FSC responded to an inquiry from the NASD concerning compliance by FSC with the provisions of MSRB Rule G-36 relating to the timing and manner of mailing Official Statements. It was reported that, in certain instances, FSC had mailed copies of Official Statements to the NASD by regular mail, rather than by registered or certified mail; and in certain instances FSC did not mail the Official Statements within the time permitted due to a misinterpretation of the rule relating to the date from which the time period commences. FSC proposed to the NASD a Letter of Acceptance, Waiver and Consent with respect to these matters, which was accepted on December 15, 1997. Previously, in July of 1997, FSC had already implemented new internal procedures designed to address the problems associated with the foregoing matters. In June of 1998, FSC responded to a further inquiry from the NASD concerning compliance by FSC with the provisions of MSRB Rule G-36 relating to one additional instance whereby it was claimed that the copy of the Official Statement was not mailed by FSC within the time prescribed. Subsequent to the filing of the response by FSC, no further communication has been received from the NASD regarding the matter.

In January, 1998, FSC first responded to an inquiry from the NASD concerning the manner in which defeasance escrows were handled in various advance refunding bond issues. Eventually, over the course of two years, the NASD reviewed information concerning approximately 180 advance refunding issues wherein FSC had acted as the investment provider in purchasing securities for defeasance escrows during the period from 1990 through 1996. At the conclusion of their review, the NASD reported that, in one advance refunding transaction wherein FSC acted as an underwriter (the "Subject Transaction"), FSC had failed to disclose to the issuer of the municipal bonds that FSC would retain "positive carry" which it earned in connection with the funding of the defeasance escrow. "Positive carry" may result when an investment provider purchases securities for the escrow and then holds such securities pending the closing of the refunding issue if the interest earnings from the securities during the holding period exceed the financing costs incurred by the provider.

The NASD took the position that FSC's failure to disclose that it would retain positive carry in a single 1993 transaction constituted a technical violation of Section 17(a)(2) of the Securities Act of 1933 (the "Act"), even though the issuer was represented throughout the Subject Transaction by its own financial advisor, a third party financial institution which actively participated in the development of the escrow by selecting the securities to be purchased by FSC and approving the purchase prices to be paid. There were no allegations or charges that FSC willfully violated the Act or was guilty of any intentional wrongdoing with respect thereto.

Without admitting any liability, FSC proposed to the NASD a Letter of Acceptance, Waiver and Consent with respect to this matter which was accepted on April 19, 2000. Under the terms of the settlement, FSC agreed to pay the sum of \$59,697 to the NASD and accept a censure.

In April 2000, FSC was joined as a defendant in a lawsuit in Starr County, Texas, by Rio Grande City Consolidated Independent School District and Rio Grande City Public Facilities Corporation in connection with a lease revenue bond offering in 1995 in which FSC acted, nominally, as a co-manager in the underwriting of the bonds. There were no specific allegations of wrongdoing by FSC, but it was alleged that the managing underwriter represented that a lower interest rate would be obtained than that which was ultimately attributed to the bonds when issued. FSC replied in the suit, denying the claims as same relate to FSC, and filed for removal of the case to federal court. The trial for the case began on January 6, 2003, and was dismissed on January 8, 2003 with a directed verdict entered in favor of FSC and the other defendant in the case. The plaintiff appealed the decision, but the District Court's decision was affirmed by the Court of Appeals on April 14, 2004. The time in which to seek an appeal with the Texas Supreme Court has not yet expired.

In 2001, Brownsville Independent School District instituted an action in state court in Brownsville, Texas based on a claim that FSC, as financial advisor to the school district, acted to convince the district of a need for trips to New York to meet with ratings agencies in connection with certain bond offerings when, according to the district's allegations, the trips were unnecessary. The district claimed to have incurred travel expenses in an amount approximating \$65,000 for the three trips which they sought to recover from FSC. FSC filed an answer denying the claim and a counterclaim seeking to recover additional costs for the ratings trips for which FSC had not been reimbursed. The case was settled amicably with the school district agreeing to pay to FSC a portion of its unreimbursed expenses as sought in the counterclaim.

To the best of our knowledge, Raymond James & Associates, Inc.'s ("Raymond James") Public Finance Department, in its role as Underwriter or Financial Advisor, is not currently in material violation of any rules and regulations in Texas or nationally. Raymond James is not subject to any material litigation or proceeding which relates to our public finance professional activities. This statement of assurance relates to the regulations promulgated by the United States Securities and Exchange Commission, the New York Stock Exchange, Inc., the National Association of Securities Dealers, Inc., and the Municipal Securities Rulemaking Board.

On January 11, 1999, the SEC brought an action against almost all of the major NASDAQ market makers in connection with their 1994 market making activities. The commission alleged that in 1994 market makers, including Raymond James, violated provisions of the federal securities laws in connection with their market making activities in NASDAQ securities. Without admitting or denying the allegations, Raymond James agreed to pay a civil penalty of \$400,000 and disgorgement of \$7,431 to settle the matter. In addition, it agreed to a cease and desist order and to submit certain of its policies to an independent consultant.

In March 2000, Raymond James participated in an industry-wide settlement pertaining to the pricing methods employed throughout the industry in connection with certain advance refunding transactions that took place between 1990 and 1996. Without admitting or denying the allegations, Raymond James agreed to pay approximately \$3.6 million of the more than \$172 million paid by 21 firms in order to eliminate any threat by the IRS that certain bonds relating to those transactions could lose their tax-exempt status.

On June 19, 2000, the United States District Court for the Eastern District of Kentucky entered a judgment for approximately \$40 million against defendants in Corporex Realty & Investment Corp. v. Raymond James & Associates, Inc. and RJ Mortgage Acceptance Corp., Case No. 98-14, which was settled on appeal.

In April 2001, Raymond James along with fifteen other securities firm defendants, settled a state court proceeding in Collier County, Florida in connection with escrow pricing for certain advance refunding transactions for municipalities. Raymond James contributed a small portion of the total settlement of \$4,507,000.

Raymond James and its affiliates employ or are associated with over 5,200 brokers who handle customer accounts, and engage in a full range of securities-related business. As a result of its size and in line with other full service firms in our industry, Raymond James has been involved in a modest number of lawsuits and arbitrations. These other claims involve activities that are unrelated to Raymond James' public finance underwriting activities.
