

**CITY OF SAN ANTONIO
PURCHASING & GENERAL SERVICES DEPARTMENT
CITY COUNCIL AGENDA MEMORANDUM**

CONSENT AGENDA
ITEM NO. 8

TO: Mayor and City Council

FROM: Janie B. Cantu, Director of Purchasing & General Services

SUBJECT: Aerial Ladder Trucks

DATE: January 13, 2005

SUMMARY & RECOMMENDATION

This ordinance authorizes the Purchasing & General Services Department to accept the proposal submitted by Siddons Fire Apparatus, Inc. utilizing Texas BuyBoard to provide the City of San Antonio Fire Department with two Pierce-manufactured aerial ladder trucks for a total of \$1,108,597.00; appropriates and transfers funds; amends and increases the Fire Department's General Fund budget; and provides for payment. Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

A request for proposal was issued to purchase two aerial ladder trucks for the City of San Antonio Fire Department. One of the aerial ladder trucks is a replacement truck for a truck purchased in 1988. The other will be assigned to Station 46 in place of the Service truck originally proposed to be purchased as part of the Stone Oak annexation plan. This purchase will be made from Siddons Fire Apparatus, Inc. utilizing Texas BuyBoard for a total of \$1,108,597.00.

Currently the Fire Department maintains twenty-three firefighting apparatus classified as aerial trucks. These trucks typically do not carry water, but are primarily used to carry firefighting personnel, firefighting equipment, and are equipped with an aerial device. Aerial ladder trucks are the primary apparatus used to carry out water rescues and are also used to extinguish fires that are too large to be effectively or safely extinguished with hand lines.

The average age of the aerial ladder truck fleet is currently twelve years. Aerial ladder trucks are scheduled to be replaced once they reach eighteen years of service. The Fire Department currently has eleven aerial ladder trucks that will be eighteen years of age in 2006. These aerial ladder trucks are not currently in the City's Vehicle Replacement Fund.

These units will be purchased from Siddons Fire Apparatus, Inc. utilizing the Texas BuyBoard and will be made in accordance with the Interlocal Participation Agreement with the Texas Local Government Purchasing Cooperative Ordinance No. 97097. This cooperative is administered by the Texas Municipal League. The products and services that are part of the cooperative have been competitively bid and awarded by the Cooperative's Board of Trustees based on Texas Statutes.

POLICY ANALYSIS

In FY 2001, \$615,000 was set aside as the first year's contribution to the Ladder Truck Buy-in Project. This same amount was contributed in FY 2002; however, due in large part to significant budget constraints, no additional funding has been provided for the Fire Ladder Truck Buy-in Project. Currently, the Fire Ladder Truck Buy-in Project Special Revenue Fund totals \$1,300,638, including interest earned. These funds reside in fund balance and will be transferred and appropriated by this ordinance. In light of the Fire Department's need for ladder trucks and the objective of the Ladder Truck Buy-in Project, the Fire Chief is recommending the use of these funds this fiscal year.

In addition to funds from the Ladder Truck Buy-in Project Fund, the Fire Department has other sources of funding to acquire additional firefighting apparatus in FY 2005. These include \$336,700 set aside for a service truck and \$79,238 in vehicle replacement funds for two brush trucks that are no longer required for service coverage and will not be replaced.

In total, the Fire Department has identified funds in the amount of \$1,716,576 for fire apparatus acquisitions in FY 2005. As indicated within the City Manager's Report during the January 6, 2005 City Council meeting, the Fire Department will confer with the San Antonio Professional Firefighters Association regarding the acquisition of additional apparatus using funds that will remain after the acquisition of the two aerial ladder trucks.

This contract is for the purchase of two aerial ladder trucks. One truck is replacing an aerial ladder truck that is currently not in service due to a malfunctioning engine that is beyond economical repair and to damage within the aerial ladder. The second ladder truck will be assigned to Station 46. The life expectancy of the new units is eighteen years and they will be placed into the Vehicle Replacement Program beginning in FY 2006.

FISCAL IMPACT

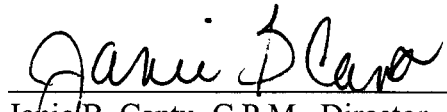

The total cost of this contract is \$1,108,597.00. Funding for this purchase will come from the Ladder Truck Buy-in Project Fund; however, the expense will be recorded in the Fire Department's General Fund Budget. The expense will be paid for with funds transferred from the Ladder Truck Buy-in Project Fund.

To execute this item, the following will take place:

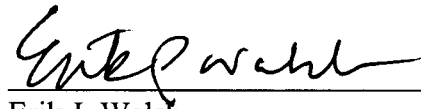

- \$1,108,597 will be appropriated from Fund Balance within the Ladder Truck Buy-in Project Fund and budgeted for transfer in FY 2005 to the Fire Department General Fund Budget;
- The FY 2005 General Fund Transfer-In Revenue Budget will increase by \$1,108,597; and
- The FY 2005 General Fund Fire Department Budget Appropriation will increase by \$1,108,597.

COORDINATION

This item has been coordinated with the City of San Antonio Fire Department, the Office of Management & Budget and the Finance Department.

Janie B. Cantu, C.P.M., Director
Purchasing & General Services

Erik J. Walsh

Notice of Proposal Invitation

Proposal Name: Fire Apparatus

Proposal Opening Date and Time:
June 24, 2004 at 2:00 PM

Proposal Number: 201-04

Location of Proposal Opening:
Texas Association of School Boards
Cooperative Purchasing Department
7620 Guadalupe, Will Davis Building
Austin, TX 78752

**Contract Time Period: September 1, 2004
through August 31, 2005**

The undersigned authorized representative of the proposing company indicated below hereby acknowledges:

1. That he/she is authorized to enter into contractual relationships on behalf of the proposing company indicated below, and
2. That he/she has carefully examined this Proposal Notice, the accompanying Proposal Forms (whether in printed or electronic form), and the General Terms and Conditions and Item Specifications associated with this Proposal Invitation, and
3. That he/she proposes to supply any products or services submitted under this Proposal Invitation at the prices quoted and in strict compliance with the General Terms and Conditions, and Item Specifications associated with this Proposal Invitation, unless any exceptions are noted in writing with this proposal response, and
4. That if any part of this proposal is accepted, he/she will furnish all products or services awarded under this proposal at the prices quoted and in strict compliance with the General Terms and Conditions, and Item Specifications associated with this Proposal Invitation, unless any exceptions are noted in writing with this proposal response, and
5. That any and all exceptions to the General Terms or Conditions of this proposal have been noted in writing in this proposal response, and that no other exceptions to the General Terms or Conditions will be claimed, and
6. That if any part of this proposal is accepted, he/she will satisfy the requirements identified in this Proposal Invitation related to (1) the submission of product information in electronic form for inclusion on the electronic catalog(s), (2) conducting business with Cooperative members and eligible nonprofit entities electronically.
7. It is the intent of the Cooperative to allow member entities to seek quotes through the Buyboard from awarded vendors to achieve quantity discounts.
8. Pricing is guaranteed to be the best offered by the vendor to similar customers.

VENDOR PURCHASE ORDER AND RFQ RECEIPT OPTIONS

To help us ensure you receive orders from cooperative members in a timely manner, please indicate below the method of order transmission that you would prefer. Please complete this form and return it with your Invitation to Proposal. If have any questions regarding receipt of orders, please contact the Cooperative at 800-695-2919. Orders will be available through one of two options:

Option 1: **Internet.** Vendors will need to have Internet access available to them and preferable an e-mail address so that notification of new orders can be sent to the Internet contact when a new purchase order arrives. An information guide will be provided to those vendors who choose this option to assist them with retrieving their orders.

Option 2: **Fax.** Vendors will need to have a designated fax line available at all times to receive purchase orders.

Company: Siddons Fire Apparatus, Inc.

FELONY CONVICTION DISCLOSURE STATEMENT

State of Texas Legislative Senate Bill No. 1, Section 44.034, Notification of Criminal History, Subsection (1), states "a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. A notice must include a general description of the conduct resulting in the conviction of a felony.

Subsection (b) states "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract.

I, the undersigned agent for the firm named below, certify that the information concerning notification of felony conviction has been reviewed by me and the following information furnished is true to the best of my knowledge.

- ☐ My firm is a publicly-held corporation; therefore, this reporting requirement is not applicable.
- ☒ My firm is not owned or operated by anyone who has been convicted of a felony.
- ☐ My firm is owned or operated by the following individual(s) who has/have been convicted of a felony:

REGIONAL SERVICE DESIGNATION

The Texas Local Government Purchasing Cooperative will assume that you will service cooperative members statewide unless you designate otherwise using this form!

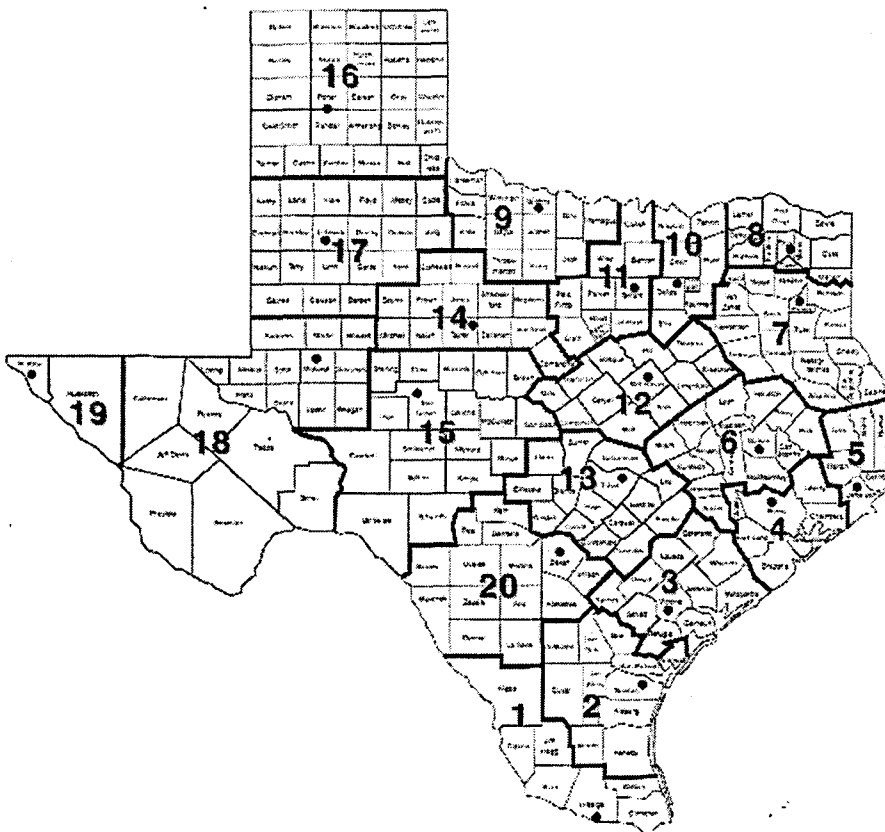

The Texas Local Government Purchasing Cooperative (Cooperative) offers vendors the opportunity to service cooperative members statewide. If you do not wish to service the entire state, you **MUST** indicate your intentions using the checklist provided below.

REMINDER: You can cite exceptions to the terms and conditions on your Deviation/Compliance Signature Form to control additional freight to members in outlying regions, but the boxes you check below will indicate that you only wish to service members within that region during the term of this contract.

Regional Education Service Centers

☐ I plan to service all members of the cooperative statewide.

Place an "X" in the Boxes next to the regions you wish to service if you are not going to service the contract statewide.

Region	Headquarters
<input checked="" type="checkbox"/> 1	Edinburg
<input checked="" type="checkbox"/> 2	Corpus Christi
<input checked="" type="checkbox"/> 3	Victoria
<input checked="" type="checkbox"/> 4	Houston
<input checked="" type="checkbox"/> 5	Beaumont
<input checked="" type="checkbox"/> 6	Huntsville
<input checked="" type="checkbox"/> 7	Kilgore
<input checked="" type="checkbox"/> 8	Mount Pleasant
<input checked="" type="checkbox"/> 9	Wichita Falls
<input checked="" type="checkbox"/> 10	Richardson
<input checked="" type="checkbox"/> 11	Fort Worth
<input checked="" type="checkbox"/> 12	Waco
<input checked="" type="checkbox"/> 13	Austin
<input checked="" type="checkbox"/> 14	Abilene
<input checked="" type="checkbox"/> 15	San Angelo
<input checked="" type="checkbox"/> 16	Amarillo
<input checked="" type="checkbox"/> 17	Lubbock
<input checked="" type="checkbox"/> 18	Midland
<input checked="" type="checkbox"/> 19	El Paso
<input checked="" type="checkbox"/> 20	San Antonio

This Regional Service Designation form will be used to ensure that you can service Cooperative Members throughout the state. Please sign below to indicate that you understand your service commitments during the term of this contract.

If you have signed this form and have not checked any boxes to indicate an exception to service, you will be required to service members statewide.

ADDITIONAL VENDOR INFORMATION

PART I: For proposal response to be considered each vendor must supply a minimum of five (5) references for similar type of contract. Please fill out all of the following information:

1. Company Name City of San Benito
Address 143 S Reagan St, San Benito, TX 78586
Contact Name J Orlando Garcia, Dir. of Public Safety
Phone Number 956-361-3851
Brief description of the contract including dates of contract: 4/22/04 Pierce Enforcer Aerial 75' HDL
2. Company Name Odem Fire Department
Address 514 Voss Ave, Odem, TX 78370
Contact Name David Metting, Fire Chief
Phone Number 361-368-4100
Brief description of the contract including dates of contract: 2/19/04 Pierce Navistar Contender Pumper
3. Company Name City of Odessa, Fire Department
Address 210 N Lincoln, Odessa, TX 79761
Contact Name Dave Childer, Fire Chief
Phone Number 915-335-4655
Brief description of the contract including dates of contract: 9/23/03 Pierce Lance Heavy-Duty Rescue, Non-Walkin
4. Company Name Converse Fire Department
Address 107 Station St, Converse, TX 78109
Contact Name Jack Dougherty, Fire Chief
Phone Number 210-658-8900
Brief description of the contract including dates of contract: 3/3/04 Pierce Dash 100' Platform

5. Company Name Williamson County ESD No. 2
Address 16248 Great Oaks Dr, Round Rock, TX 78681
Contact Name Richard Raymond, Fire Chief
Phone Number 512-255-0100
Brief description of the contract including dates of contract: 2/10/04 Pierce Quantum Pumper

PART II: For proposal response to be considered each vendor must submit their marketing strategy if awarded this proposal or a portion thereof. (Example: how will your company inform the Buyboard membership of your company's contract with the Buyboard initially and how will your company continue to support the Buyboard for the duration of the contract period?)

1. Provide prepared literature to customers.
2. Display BuyBoard.com logo/trademark in booth at shows & conventions.
3. Display BuyBoard.com logo/trademark on website at www.siddonsfire.com and provide links to BuyBoard.com.
4. Customer mail-out informing customers of bid award.
