**SUBJECT:** AGENDA ITEM REQUEST

**DATE:** February 17, 2005

Your concurrence is hereby requested to place an item on the February 24, 2004 Council agenda

During that session, I will request your consideration on a resolution of support to the Alamo Community College District (ACCD) Board of Directors, to have the proposed Allied Health Care facility built on the near eastside of San Antonio, within the empowerment zone. The ACCD must continue to grow and expand in order to best serve the City of San Antonio, but the centralized placement of the Allied health care facility is required in order to allow students from the poorest communities the opportunity for quality health care education.

Your support of this matter is appreciated.
