SUMMARY AND RECOMMENDATIONS

The City Council will recess the meeting of the City Council and will convene as the Board of Directors of the City of San Antonio, Texas Convention Center Hotel Finance Corporation to consider the following:

Staff recommends approval of this resolution.

BACKGROUND INFORMATION

On April 14, 2005, City Council approved the form, content and distribution of a Preliminary Official Statement pertaining to the issuance, sale and delivery of City of San Antonio, Texas Convention Center Hotel Finance Corporation Contract Revenue Empowerment Zone Bonds, Series 2005A, to be issued up to the aggregate principal amount of approximately \$130,000,000 and City of San Antonio, Texas Convention Center Hotel Finance Corporation Contract Revenue

Bonds, Taxable Series 2005B, to be issued up to the aggregate principal amount of approximately \$80,000,000 (collectively, the "Bonds").

The Bonds are being issued to provide funds that will be loaned by the Issuer to the Developer and will be used, together with the equity contribution provided by the Developer, to : (i) design, develop, construct, furnish and open a privately owned and operated Convention Center Headquarters Hotel Project, (ii) fund approximately 38 months of capitalized interest, (iii) fully fund debt service reserve fund requirements on the Bonds with cash and the purchase of a surety bond, (iv) purchase municipal bond insurance, and (v) pay all other transaction costs.

In connection with the issuance and sale of the Bonds, documents have been mailed to Moody's Investors Service, Inc. and Standard & Poor's, a division of the McGraw-Hill Corporation and AMBAC Assurance Corporation. Oral presentations were made to these firms on April 4-5, 2005.

It is anticipated that the Bonds will be sold on or about the week of May 9, 2005 by an underwriting syndicate lead by Citigroup Global Markets, Inc. and UBS Financial Services, Inc as Co-Senior Financial Underwriters and SAMCO, Piper, Jaffray & Co. and Southwestern Capital Markets, Inc. as Co-Managing Underwriters.

POLICY ANALYSIS

The sale of Bonds will provide a portion of the funding required for the construction of the Convention Center Headquarters Hotel. The proposed issuance of the Bonds is consistent with City Council direction and the Convention Center Expansion Plan.

The debt service on the Bonds will be paid from revenues in priority of payment derived from Revenues of the Convention Center Headquarters Hotel, 6.25% Convention Center Headquarters Hotel State Sales Tax, 6% Convention Center Headquarters Hotel State Hotel Occupancy Tax Revenues, 7.00% site specific Convention Center Headquarters Hotel City Hotel Occupancy Tax Revenues, and 2.00% Citywide Hotel Occupancy Tax Revenues. The legal and financial documents are in substantially final form; however, certain changes may be made and all documents will be completed prior to the bond closing and delivery.

FISCAL IMPACT

The project evidenced by these agreements has direct and potential fiscal impacts. Collectively, this action would result in various construction-related fees and rentals. The City will receive \$350,000 in base ground lease rentals after hotel opening, which will increase annually by CPI. Additionally, the City will receive "participation rentals," which will equal 10 percent of net revenues that would otherwise flow to the hotel owner as investment return. All ad valorem property taxes of the project shall be due in full to the City.

In the event that hotel operating revenues are insufficient to pay debt service in any one year, the City is pledging State hotel occupancy taxes (H.O.T.) and State sales taxes generated at the project, in addition to subordinate pledges of City H.O.T. (7%) generated at the hotel and City convention facility H.O.T. (2%) in an amount to cover any shortfall.

Costs pertaining to the proposed bond transaction will be paid from the proceeds derived from the issuance and sale of the Bonds. Therefore, there is no impact on the City's Operating Budget. Detail on the costs of issuance will be provided in the bond disclosure report that will be prepared and distributed to the Mayor and City Council subsequent to the sale and delivery of the Bonds.

COORDINATION

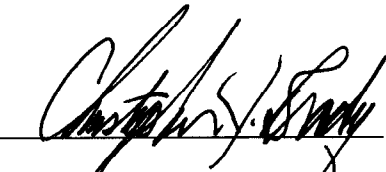

This action was coordinated with the City Manager's Office, City Attorney's Office, Department of Economic Development, the Department of Finance, the Office of Management and Budget, the City's Underwriting Syndicate, Co-Financial Advisors, Co-Bond Counsel, and General Legal Council.

Like most securities firms, UBS Financial Services Inc. (formerly UBS PaineWebber Inc., hereafter "UBS") is and has been a defendant in numerous legal actions relating to its securities and commodities business that allege various violations of federal and state securities laws. Prior to November 2000, UBS Financial Services Inc. was a wholly owned subsidiary of PaineWebber Group Inc., a public company listed on the NYSE which regularly reported on Forms 10K and 10Q to the Securities and Exchange Commission ("SEC") and the NYSE regarding pending material litigation, including administrative proceedings. These reports are publicly available and include information about UBS Financial Services matters. In November 2000, UBS Financial Services Inc. became a wholly owned subsidiary of UBS Americas Inc. and an indirect subsidiary of UBS AG. UBS AG, a Swiss banking corporation, is publicly owned, and its shares are listed on the Zurich, New York and Tokyo stock exchanges. UBS AG files annual reports on Form 20-F with the SEC, and also files quarterly reports and certain other material information with the SEC under cover of Form 6-K. These reports are publicly available. Starting with the Form 20-F for the year ended December 31, 2000, these reports include material information about UBS Financial Services matters, including information about any material litigation or administrative proceedings. To the best of our knowledge, there are not any matters pending that are likely to adversely affect UBS Financial Services' ability to provide the services that are contemplated by the Request for [Proposal] [Qualification].

The following legal proceedings relating to the investment banking activities of UBS's Municipal Securities Group are pending or were closed within the past ten years:

A *qui tam* claim against UBS Financial Services and others was filed under Illinois's Whistleblower statute in 1999 under seal. That action was unsealed by the court after the State declined to participate in the action. A complaint alleging that our firm engaged in yield-burning in a 1992 refunding transaction with Illinois was served on us in April 2002. In June 2002, a U.S. District Court (N.D. Ill.) issued an Order dismissing plaintiffs' claims. The case was refiled in November 2002 in the Cook County Circuit Court, bringing whistleblower claims and common law claims for fraud, breach of contract, and breach of fiduciary duty. All claims were dismissed against UBS in August 2003. A Notice of Appeal to the Illinois Supreme Court was filed in September 2003 and oral argument took place on November 16, 2004.

On June 6, 2000, UBS Financial Services Inc. acquired JC Bradford & Co. In February 2004, a case was filed in a New York state court related to certain 1992 bond transactions in which Bradford underwrote tax exempt bonds issued by Lucas Plaza Housing Development Corporation, an Ohio public housing entity. Lucas Plaza and its sponsoring authority alleged that, despite the fact that they received all the proceeds they were entitled to in the transaction, Bradford's involvement in the subsequent defeasance and sale of credit-enhanced bonds was fraudulent and breached the bond purchase agreement. In March 2004, UBS moved to dismiss the Amended Complaint in its entirety. On November 9, 2004, the Court granted UBS's and its co-defendants' motion to dismiss. The plaintiffs have appealed this decision. *This matter does not involve the current Municipal Securities Group.*

UBS underwrote bonds issued by Tehachapi, California, whose purpose was to finance certain improvements to undeveloped property. Tehachapi brought a foreclosure action against the developer, Tiote Construction Development Company ("Tiote"), when it failed to pay its taxes on certain property covered by the bond issue. Tiote asserted cross-claims against our firm for negligent misrepresentation and fraud. In September 1995, the Court granted UBS's motion to dismiss the cross-claims of Tiote without leave to amend. Tiote appealed; there were several additional filings. In August 2003, the appellate court upheld the dismissal with prejudice of all claims against UBS Financial Services Inc.

In September 2002, Kevin Olson ("Olson"), a California resident, filed a suit in California State Court against numerous broker-dealer defendants under California's unfair competition statute. The suit challenges fees (defined to include commissions, markups, markdowns, and a bid/ask spread) charged by numerous institutional defendants, including our firm, in connection with secondary market trades of municipal securities rated double A or higher. Olson sought a declaration that defendants had engaged in an unlawful and deceptive practice by charging fees that are excessive under MSRB Rule G-30, and by failing to disclose such excessive fees. The suit also sought an injunction prohibiting defendants from charging excessive fees on such trades, defined as fees exceeding a threshold "substantially less than 1%." The defendant firms jointly removed the action to federal court and simultaneously moved to dismiss. Olson then dismissed his case voluntarily, rather than respond to the motion, but stated an intention to refile in state court. No such filing has occurred to date. In addition, a "copy cat" complaint by another plaintiff (Herman) was filed in December 2002. That case was removed to federal court and motion to dismiss filed. On February 27, 2003, that complaint was dismissed with prejudice.

As noted previously, in June 2000, UBS Financial Services Inc. acquired JC Bradford & Co. On November 19, 1996, a case was filed in Los Angeles Superior Court by the Indenture Trustee (purporting to act on behalf of the bondholders) against Bradford and a host of others involved in a December 1992 offering of \$14 million for a project to acquire and renovate a downtown Los Angeles hotel. Bradford served as underwriter in the offering and sold \$10 million of the bonds to three Farmers Insurance entities. The project encountered problems and the last interest payments were made in July 1995. The case brought by the Indenture Trustee was dismissed. The three Farmers Insurance entities and a Committee of Bondholders as plaintiffs then filed an action against Bradford and others based primarily on four alleged misrepresentations in the Official Statement. Without admitting liability, Bradford settled this case in December 2001. *This matter does not involve the present Municipal Securities Group.*

The Clerk of Collier County (FL), purportedly acting on behalf of thousands of municipal issuers, filed a class action suit in 1998 against a number of firms who sold government securities at allegedly inflated prices in connection with advance refunding transactions. Without admitting any liability, the defendant firms, including UBS, settled this matter in May 2001 by agreeing to pay, as a group, a

total of approximately \$4.5 million. A Final Judgment Order and Final Judgment dated September 26, 2001, was approved by a Florida Court, which found the settlement "fair, just and reasonable as to the Settling Class."

In December 1996, Orange County, California filed an adversary proceeding against a number of Wall Street firms, including UBS and PaineWebber Real Estate Securities Inc. in the United States Bankruptcy Court in California, asserting claims relating to the sale of certain securities to the County. The matter was settled as to our firm in August 2000. The firm contributed \$2.6 million to the total settlement.

In a related matter, UBS, along with other firms, had been a defendant in a putative class action filed on behalf of purchasers of bonds issued by Orange County and municipal authorities that invested moneys in the Orange County Investment Pool. In May 1996, UBS and certain other defendants entered into a Stipulation of Partial Settlement dismissing all claims as to the settling defendants, subject to approval by the California State court. In December 1996, the California State Court entered a final judgment dismissing the Orange County bondholder securities litigation against certain defendants, including UBS Financial Services, having found the settlement reached by those parties to be fair.
