CONSENT AGENDA
ITEM NO. 9

TO: Mayor and City Council

FROM: Janie B. Cantu, Director of Purchasing & General Services

SUBJECT: Semi-Automatic Pistols

DATE: October 6, 2005

SUMMARY & RECOMMENDATION

This ordinance authorizes the Purchasing & General Services Department to accept the low responsive bid submitted by Dury's Gun Shop, Inc., a WBE company, to provide the City of San Antonio Police Department with 1,726 semi-automatic pistols for a total of \$188,134.00 from Confiscated Property – Vice Seizures Fund. Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

A request for sealed bids was issued to purchase 1,726 semi-automatic pistols for the City of San Antonio Police Department. A total of three bids were received. The bid submitted by OMB Police Supply did not meet City specifications. The low responsive bid was submitted by Dury's Gun Shop, Inc., a WBE company, for a total of \$188,134.00. This bid was advertised in the Daily Commercial Recorder, La Prensa, the San Antonio Observer, the City of San Antonio Purchasing Website, Public Access Channel 21 and Demandstar.com.

The Police Department currently uses the Glock, Model 22, 40 caliber handgun as the department issued primary weapon. The Glock Model 22 has served the department well over the past 12 years. However, the majority of these weapons have surpassed their 10 year recommended service life. The firearms staff revealed that there has been an increase in repair and replacement incidents with this weapon due to the age of the weapons and the normal wear and tear over time.

There are 3 versions of the Glock Model 22 weapon, the Generation 1, 2 and 3. The Police Department is recommending the replacement of Generation 1 and 2 with the newest version, the Glock, Generation 3, Model 22. The new version has an improved and stronger locking block, more stable finger grooves, more versatile frame, and an improved slide rail. The old weapons will be trade-ins as each class of police officers completes their designated week of In-Service Training starting in 2006. San Antonio Police Officers will have the opportunity to purchase their old weapon within 30 days after their weapon is traded in.

POLICY ANALYSIS

This contract will provide the Police Department with 1,726 Glock Model 22 semi-automatic pistols with Glock night sights and will also include training of City staff on how to handle, care, clean and service the weapons. Upon completion of the certified training, the manufacturer will honor the warranty they are providing for the pistols. These pistols will serve as the primary weapon for each police officer and the old weapons will be traded in.

FISCAL IMPACT

The total cost of this contract is \$188,134.00. Funding will be from the Miscellaneous Special Revenue Fund – Confiscated Property – Vice Seizures Fund. All expenditures will be in accordance with the FY2005-2006 Budget approved by City Council.

COORDINATION

This item has been coordinated with the City of San Antonio Police Department.
