

**CITY OF SAN ANTONIO
PARKS AND RECREATION DEPARTMENT
CITY COUNCIL AGENDA MEMORANDUM**

CONSENT AGENDA
ITEM NO. 12

TO: Mayor and City Council

FROM: Malcolm Matthews, Director, Parks and Recreation Department

SUBJECT: Garrett Community Center Gymnasium Floor Replacement Project

DATE: September 8, 2005

SUMMARY AND RECOMMENDATIONS

This ordinance accepts the low, qualified bid by DonSan Construction, L.L.C., a SBE/MBE firm, to perform construction work in connection with the Garrett Community Center Gymnasium Floor Replacement Project in West End Park in City Council District 1 for the base bid amount of \$87,500.00, and with bid alternates 1 through 3 for a total amount of \$117,841.00; authorizes the execution of a standard construction contract; allocates \$23,568.20 for construction contingency; authorizes appropriation of \$141,409.20 from 2003-2007 Park Bond funds; and provides for payment.

Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

Funding was approved in the 2003 Park Bond Issue for the Garrett Community Center Gymnasium Floor Replacement Project in West End Park located at 1401 N. Hamilton in City Council District 1. The base bid scope of work will include removal of the existing worn gymnasium rubber flooring and replacement with a new resilient poured-in-place sports court surface. Bid alternates will be accepted that include removal and replacement of retractable gymnasium seating, installation of tile over existing concrete floor in stairwell landings, and removal and replacement of an existing floor sleeve and anchor volleyball system. City staff prepared plans and specifications in-house.

The construction bid was advertised in June 2005 in the Commercial Recorder, San Antonio Informer, and La Prensa De San Antonio. Four (4) bids were received and two (2) bids were deemed non-responsive. A summary is shown on Exhibit 1. DonSan Construction, a SBE/MBE firm, was selected with the low qualified base bid of \$87,500.00 and with bid alternate 1 of \$29,069.00, bid alternate 2 of \$522.00 and bid alternate 3 of \$750.00, for a total contract amount of \$117,841.00. The proposed 20% construction contingency will be utilized to provide for miscellaneous construction contingency expenses that will include code requirements and unknown hidden existing conditions associated with an existing building. A standard

construction contract will be executed. The firm has three current projects with the Parks and Recreation Department for a total contract amount of \$818,220.00.

The construction contract is for forty (40) calendar days and work is anticipated to begin in October 2005 and will be completed in November 2005.

POLICY ANALYSIS

This ordinance is consistent with the approved 2003 Park Bond Issue. The construction contract was advertised and selected in accordance with established bid procedures.

FISCAL IMPACT

Funds of \$200,000.00 in 2003-2007 Park Bond funds were approved for West End Park improvements. The amount of \$7,418.36 was previously encumbered for project fees and bid advertising. The proposed ordinance will appropriate \$117,841.00 for the construction contract and \$23,568.20 for construction contingency, in a total amount of \$141,409.20.

COORDINATION

The project has been coordinated with the Public Works Department, Finance Department and the Office of Management and Budget.
