

**CITY OF SAN ANTONIO  
CITY MANAGER'S OFFICE  
CITY COUNCIL AGENDA MEMORANDUM**

**TO:** Mayor and City Council  
**FROM:** Christopher J. Brady  
**SUBJECT:** Ordinance Approving the Acquisition of Twelve Properties Along Salado Creek for the Creekways Linear Parks Project  
**DATE:** September 8, 2005

**SUMMARY AND RECOMMENDATIONS**

This proposed action is for the fee simple purchase of twelve (12) properties for a total of 32.9539 acres located along the Salado Creek within Council District 2. All the properties are to be acquired from private owners for a total purchase price of \$175,600.00. The previously assessed tax value for the private properties was \$208,100.00. Closing costs are estimated at \$4,657.00. A total of \$180,257.00 is requested for closing costs and property acquisition. Fees for surveys (\$32,200.00) and appraisals (\$5,725.00) are being paid out of a previously approved ordinance. Staff recommends approval of the purchase of these properties.

**BACKGROUND INFORMATION**

The properties are all within the 100-year flood plain severely impacted by flooding in 1998. The City acquired numerous other properties in these flood zones under the FEMA Flood Buyout of 1998.

The Planning Commission reviewed this request on August 24, 2005. Upon approval by City Council, closings on the properties are scheduled for the week of September 19, 2005.

**POLICY ANALYSIS**

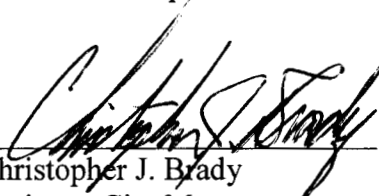

This proposed action is consistent with policy adopted by the City Council for the acquisition of properties along both the Salado and Leon Creeks as presented in Proposition Three of the Better Future Sales Tax Initiative passed and approved by the voters on May 6, 2000.
