POLICY ANALYSIS

The change to the council meetings have traditionally been rescheduled to allow council participation with the Texas Municipal League, an organization which represents cities at the state level for legislative issues. In addition, Council participates with the National League of Cities to identify and address urban issues at a national level, for leadership development opportunities and in various constituency groups for policy formulation and program activities. The proposed change of dates for the holidays have also traditionally been rescheduled.

FINANCIAL ANALYSIS

The rescheduling of City Council meetings does not have a financial impact on the FY06 budget.

COORDINATION

This ordinance has been coordinated with the Mayor's Office, City Manager's Office, City Clerk's Office and City Attorney's Office.
