Zoning Request: From "I-2" Heavy Industrial District to "C-3" General Commercial District

Lot 5, Block 1, NCB 10314

Property Location: 1863 Rigsby Road

West of the Intersection of Pecan Valley Drive and Rigsby Road

Proposal: To allow for a lawnmower repair shop

Neighborhood Association: Artesia Community Guild

Neighborhood Plan: None

TIA Statement: A Traffic Impact Analysis is not required

Staff Recommendation:

Approval

The subject property is located west of the intersection of Pecan Valley Drive and Rigsby Avenue. The property is currently used as a lawnmower repair shop and is part of a commercial strip development. The surrounding properties to the east, south, and west are used for commercial and auto related shops. The properties to the north are single-family residential units.

The proposed zoning district would be a down zoning from the existing industrial zone on the property. "C-3" commercial district would bring the current use as a lawnmower repair shop into compliance. The shop has been in operation for roughly one month and does not have a certificate of occupancy. This zoning change would be appropriate at this location.
