

CONSENT AGENDA  
ITEM NO. 9

**CITY OF SAN ANTONIO  
PURCHASING & GENERAL SERVICES DEPARTMENT  
CITY COUNCIL AGENDA MEMORANDUM**

**TO:** Mayor and City Council

**FROM:** Janie B. Cantu, Director of Purchasing & General Services

**SUBJECT:** Annual Contracts for Fiscal Year 2005-2006

**DATE:** January 5, 2006

**SUMMARY & RECOMMENDATION**

The attached tabulation of bids is hereby submitted for council consideration and action. Annually at this time, bids are requested for various materials, parts and services. This ordinance includes contracts for street cut permitting system maintenance and support; pre-filled disposable syringes; truck & industrial tires; river walk sanitation service; and periodicals and newspaper subscriptions.

Many bids are on a firm, non-escalating basis, while others such as petroleum related items and certain other commodities require escalation of prices during the contract period. Generally, bids reflect small increases over recent prior years, but in many cases reflect decreases.

It is recommended these contracts be approved.

- SECTION I:** The bids in this section are a single source of supply bids. (1 contract)
- SECTION II:** The bids in this section are low responsive bids in which award is recommended to the lowest bidder. (4 contracts)
- SECTION III:** The bids in this section are low responsive bids in which award is recommended to bidders other than the lowest bidders because the lowest bids did not meet City specifications. (1 contract)

**POLICY ANALYSIS**

Annual contracts are an efficient method of securing the best prices through volume purchasing and by reducing large amounts of work related to the bid process. This group of contracts represents a portion of approximately 250 annual contracts that will be brought before City Council throughout the remainder of the fiscal year.

**FINANCIAL IMPACT**

Funds are not expended by this ordinance. All expenditures will be in accordance with the FY 2005-2006 budget approved by City Council. The combined total estimated amount for contracts listed on this ordinance is approximately \$405,015.
