

**CITY OF SAN ANTONIO  
PUBLIC WORKS DEPARTMENT  
CITY COUNCIL AGENDA MEMORANDUM**

**TO:** Sheryl Sculley, City Manager

**FROM:** Thomas G. Wendorf, P.E., Director of Public Works

**SUBJECT:** Permanent Easement Dedication – Auto Zone Zarzamora

**DATE:** April 6, 2006

**SUMMARY AND RECOMMENDATIONS**

An ordinance accepting a permanent drainage easement dedication from Joe Centeno III, consisting of a 0.144 acre tract of land out of New City Block 14496, within the Corte Del Sur Subdivision located in Council District 4.

Staff recommends the approval of this ordinance.

**BACKGROUND INFORMATION**

During the replatting process for Auto Zone Zarzamora II Subdivision, the City's Business and Development Services Center found that a permanent drainage easement on the replat did not go through the process of obtaining City Council approval, preventing the developer from securing a Certificate of Occupancy. In order to correct this omission, Mr. Joe Centeno, III, desires to dedicate to the City of San Antonio a 0.144-acre tract of land, which is a remaining portion of Lot 1, Block 1, New City Block 14496, Corte Del Sur Subdivision. This permanent drainage easement will serve two properties and tie into an existing 65-foot drainage right of way.

Pursuant to the City's Unified Development Code, the City has the right to require dedication as part of the building permitting process.

**POLICY ANALYSIS**

Approval of this ordinance will be a continuation of City Council policy to implement regulations and adhere to requirements in the Unified Development Code.

**FISCAL IMPACT**

No funds are to be expended under this ordinance. Once property has been conveyed maintenance of this drainage easement will be provided by the City of San Antonio.

### **COORDINATION**

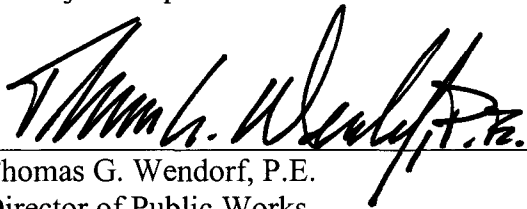

This ordinance was coordinated with the City Attorney's Office, Development Services Department, and the Storm Water Engineering Division of Public Works.

### **SUPPLEMENTARY COMMENTS**

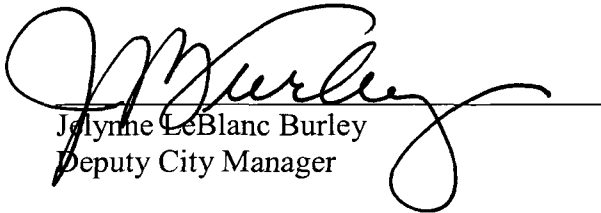

This ordinance does not require a Discretionary Contracts Disclosure Form.
