**CITY OF SAN ANTONIO
PURCHASING & GENERAL SERVICES DEPARTMENT
CITY COUNCIL AGENDA MEMORANDUM**

TO: Sheryl Sculley, City Manager

FROM: Janie B. Cantu, Director of Purchasing & General Services

SUBJECT: Concrete Mixer Truck

DATE: March 2, 2006

SUMMARY & RECOMMENDATION

This ordinance authorizes the Purchasing & General Services Department to accept the low bid submitted by Grande Truck Center utilizing the Texas Buyboard contract to provide the City of San Antonio Public Works Department with one concrete mixer truck for a total of \$119,750.00 from the Equipment Renewal and Replacement Fund and the Storm Water Maintenance Fund. Staff recommends approval of this ordinance.

BACKGROUND INFORMATION

Submitted for council consideration and action is the low bid from Grande Truck Center utilizing the Texas Buyboard contract to provide the City of San Antonio Public Works Department with one concrete mixer truck for a total of \$119,750.00.

The purchase of this concrete mixer truck is part of the Public Works Department vehicle and heavy equipment reconfiguration plan, which includes replacement of vehicles and equipment currently in the City's Vehicle Replacement Program. This purchase is associated with the budget approved Storm Water reconfiguration plan that includes tractors, trailers, compact pick-up trucks, dump trucks, concrete mixer truck, street sweepers and sidewalk sweepers. The new concrete mixer truck will be utilized for various concrete related projects to include but not limited to construction of and/or repairs to retaining walls, bridge crossings, channels, and other various drainage projects throughout the City. The ability to pick up and deliver the ready mix concrete will allow City staff to be more productive in completing projects, plus cut expenses in the areas of labor hours as well as eliminating contractor delivery charges.

Additionally, the concrete mixer will be covered by a one-year or 100,000 mile cab and chassis warranty; as well as a two year unlimited mileage warranty for the engine and transmission.

POLICY ANALYSIS

This contract will provide the City of San Antonio Public Works Department with one concrete mixer truck. This concrete mixer truck is an important component to Public Works' ability in maintaining cost efficient operations. The successful vendor is required to provide two on-site training sessions for a minimum of four hours each for City operators and technicians. A video shall also be provided to the City for the purpose of demonstrating the safe operation of the entire system.

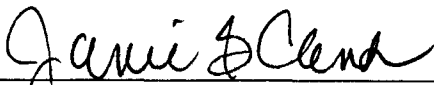

This unit will be purchased from Grande Truck Center utilizing Texas Buyboard contract and will be made in accordance with the Interlocal Participation Agreement with the Texas Local Government Purchasing Cooperative Ordinance No. 97097. This cooperative is administered by the Texas Municipal League. The products and services that are part of the cooperative have been competitively bid and awarded by the Cooperative's Board of Trustees based on Texas Statutes.

FINANCIAL IMPACT:

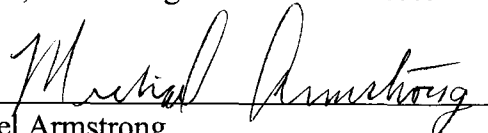

The total cost of this contract is \$119,750.00. Funding will be from the Equipment Renewal and Replacement Fund and the Storm Water Maintenance Fund. All expenditures will be in accordance with the FY2005-2006 Budget approved by City Council.

COORDINATION:

This item has been coordinated with the City of San Antonio Public Works Department.
