SUMMARY AND RECOMMENDATIONS

An ordinance appropriating \$50,000.00 for expenditure in support of payment to the City's Environmental Services Department stand-by consultant, TLI & Environmental Services, Inc., to conduct asbestos abatement work in connection with projects at San Antonio International and Stinson Municipal Airports, transferring funds, revising the budget, and providing for payment from the Airport Capital Improvements Fund.

This environmental work will be managed through the Environmental Services Department and shall be conducted in accordance with the terms and conditions stipulated in the contract with TLI & Environmental Services.

BACKGROUND INFORMATION

City council previously approved a professional services agreement with TLI Environmental, Inc. in an amount not to exceed \$330,000 to provide asbestos abatement services for City facilities in January 2006. This action will not increase the authorized contractual fees nor amend any contract provisions with the existing environmental services contract.
